INVITATION

Dear Colleagues,

Namaskar and season's greetings from Mumbai.

On behalf of the organizing committee of MAPSCON 2019, I invite you with your family to the 3rd Biennial Conference of MAHA Association of Plastic Surgeons to be held at TRIDENT, Mumbai..

Mumbai is fondly called as the CITY OF DREAMS; as you are all familiar. Mumbai has it all.

As you stand on the 'Rooftop of The Trident' the venue which has been specifically selected, you can view the mesmerizing Arabian Sea and the promenade popularly known as the 'Queens Necklace' which is a pleasure to see in the night.

The dates have been selected so that consultants as well as post graduates can attend during this long weekend holiday.

*It is said that extreme **Specialism** was one of the causes of decay in Medicine in Ancient Egypt. Something we are seeing it nowadays. Keeping this in mind the theme of this conference has been chosen as "**Learning from Masters**". If we do not remember our past, then we are condemned to repeat it.*

*So let us learn from our Masters the "**Beauty in Practice**" 'pun intended', so that we can regain the nobility of our profession. We are like **Salt in food**, quantity wise; yet we are the essence. So please come and join us to make this conference a great success.*

Our Scientific program is designed to encourage and increase the knowledge of the participating Plastic Surgeons and Trainees. Many eminent speakers shall be sharing their knowledge and experiences.

*Looking forward to seeing you all for this 3 day extravaganza!
On behalf of the Organizing Committee*

*With warm regards,
Dr. Abbas Mistry
Organizing Chairman*

The Scientific Programme & Faculty will be uploaded on the website
