

ASSOCIATION OF PLASTIC SURGEONS OF INDIA NEWSLETTER

APRIL 2022 | E-NEWSLETTER NO. 91 | LUCKNOW

President's Message Dr Ravi Mahajan, President –APSI

Dear Friends,

It has been a matter of great privilege for me to be elected as President of Association of Plastic Surgeons of India and I am really indebted to all of you to give me the opportunity to serve this prestigious organisation. First of all I would like to extend a very warm invitation to each one of you for APSICON 2022 being held at Amritsar from 9th to 13th November, 2022. APSICON is happening after a period of three years in physical form after Bhubaneswar conference and I am sure we are all looking forward to meet each other for academic as well as social interaction with our colleagues from across the country and abroad. Theme of the conference is "Scaling New Heights" bringing you all the ideas from experts in the different fields of Plastic Surgery on how to scale new heights as far as our surgical techniques, results, experience into new areas of practice and use of new teaching & training modalities are concerned. Considering the need for enhancing Aesthetic Surgery education for all Indian Plastic Surgeons, we are having ISAPS symposium during APSICON 2022 for the first time ever and that also without any separate registration. ISAPS symposium is being organised in association with our sister organisation IAAPS which is also the first such venture. The organising committee of APSICON 2022 is working very hard to make it a memorable experience on both academic as well as social fronts. I urge all of you to come to Amritsar in large numbers along with your families to enjoy the conference as well as typical Amritsari hospitality. This year, with help from our EC members and other active members of the association, I have taken up the challenge of enhancing advocacy of our specialty. As a part of this endeavour, APSI EC committee has decided to celebrate Plastic Surgery Day, 15th July, this year in the national capital by organising "APSI Sushruta Plastic and Reconstructive Surgery Film Festival" to showcase short films on how Plastic and Reconstructive Surgery can change lives of our patients.

I request all of you to send short movies related to some of your patients whose life has been transformed with Plastic and Reconstructive Surgery. Success of the programme will depend upon wider participation by the members. You can visit <http://starnet.in/2022filmfestival/apsiff.htm> for further information. Another initiative taken up by APSI to create awareness about the specialty is public awareness programmes related to common problems dealt with by the Plastic Surgeons in collaboration with an online platform Omnicuris. These webinars are available on youtube and you can use these for educating the patients as well as public at large. These are being done on monthly basis and we have already done two webinars on "Preservation of amputated parts" and "Management of cleft lip and palate". We have also initiated a process to upgrade our website as well as increase our presence on social media for the benefit of our members as well as general public. Website Committee is being rejuvenated in our attempt to make the association digital friendly. On the academic front APSI Accredited CMEs are being held regularly under the Chairmanship of Dr. Rajeev Ahuja and Dr. Ramesh Sharma. Large online attendance in these CMEs speaks volumes about the popularity of this programme. We also plan to start online PG programme for the benefit of residents under the banner of APSI. I am sure this will be very useful for the residents not only for their comprehensive teaching and training but also help them to prepare for the exams.

I will be very happy to have any suggestion from the members for further upliftment of our association. Please do write to me at drravikmahajan@gmail.com. At the end I urge you all again to come to Amritsar for APSICON 2022 to enjoy the academic as well as the social extravaganza waiting for you at the holy city. I

am sure the organising committee will not disappoint you.

Warm regards

Dr. Ravi Kumar Mahajan President APSI

Secretary's Message Dr Vijay Kumar-Secretary APSI

Dear friends

Greetings from secretariat

Last 2 years were affected by covid 19 , all of you have worked hard in various capacity during covid, we were not able to meet physically during conference in last 2 years, Under the leadership of Dr Ravi Mahajan our dynamic president we will meet at Amritsar in APSICON 2022 in november

Please send information regarding recently concluded meetings, upcoming meetings or any other academic and other initiatives by members so that the same may be circulated to our members.

Please be free to contact regarding improvements in working of APSI, suggestions to help members

I would like to thank all the Trustees, President Dr. Ravi Mahajan, Executive Committee members, and all members for their help, cooperation and guidance.

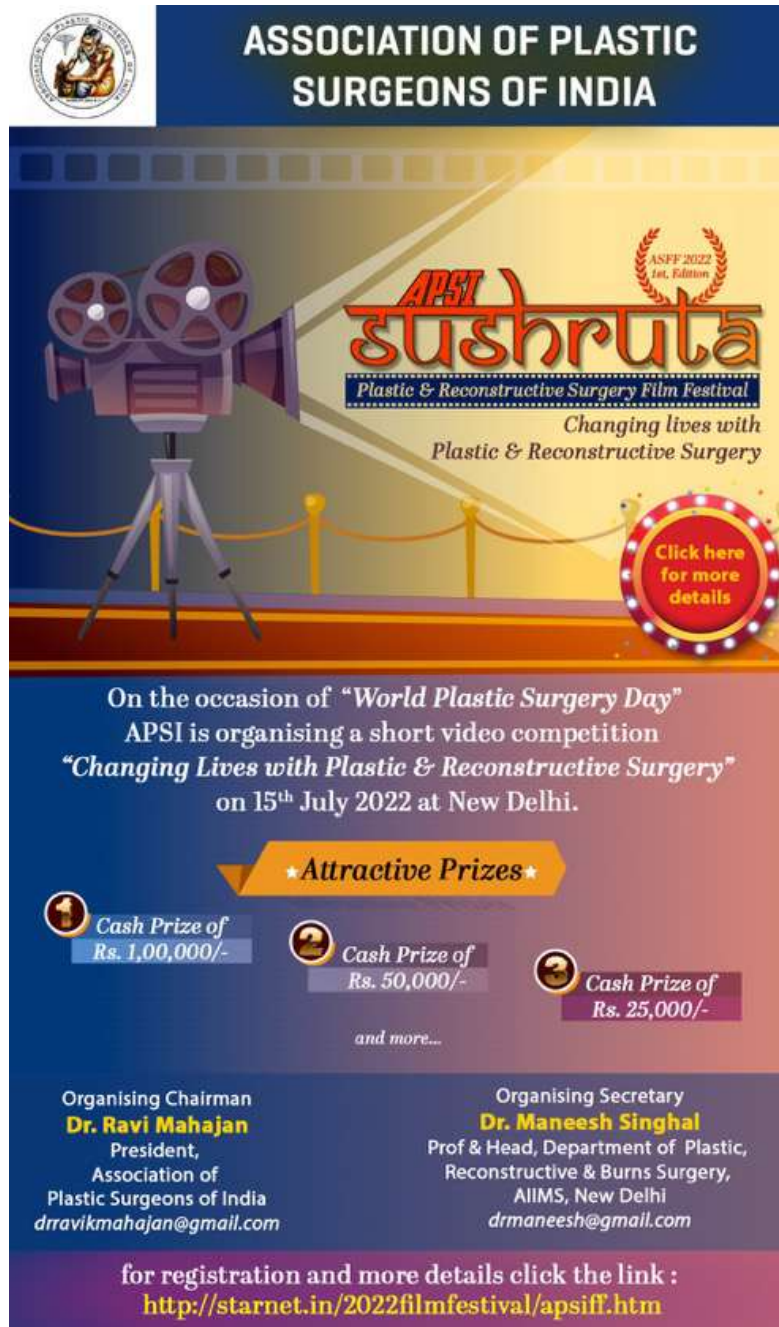

**Yours sincerely
Dr VIJAY KUMAR
Hon. Secretary APSI**

Concluded conferences

National Conference of Indian Association of Aesthetic Plastic Surgeons (IAAPS) was held at the Holiday Inn Beach Resort, South Goa between 15th to 20th March 2022. The conference was held at an exquisite beach resort in Goa with an academic feast spread over 5 days including some fun activities.

Workshop – 15th-16th March '22

Conference – 16th-20th March '22

The poster features the APSI logo at the top left, a film camera on a tripod on the left, and a film strip background. The main title 'APSI Stushruta' is in a stylized font, with 'Plastic & Reconstructive Surgery Film Festival' below it. A laurel wreath above the title says 'ASFF 2022 1st Edition'. The tagline 'Changing lives with Plastic & Reconstructive Surgery' is at the bottom right. A red circular button with a white border says 'Click here for more details'. The bottom section is dark blue with white text.

Who can submit the entries?

APSI Member / Plastic Surgeons practicing in India / Trainee Plastic Surgeons from India

Rules and Guidelines

Technical Details for short films:

- The video should be in MP4 or MOV format with frame rate of 25 fps (PAL).
- The recommended resolution should be – 1920 X 1080 FHD.
- The preferred film orientation is Horizontal or Landscape view (aspect ratio 16:9 – widescreen).
- Any archival footage used can be of a different resolution but should be placed in a seamless fashion. The film should not have jerks, black frames, glitches, frame drops, etc.
- The used footage should be solely owned by the filmmaker with copyright permissions for any sourced clips from other authors.
- Music and background score should be legally acquired by the filmmaker for usage.
- The shortlisted and awarded films will be used by the Exec. council of APSI for visual communication and general awareness purposes.
- The video and audio should be of high quality.
- The running time of the short film should be between 3-7 minutes. However, if a film has exceptional quality message, the time limit can be relaxed on a case-to-case basis.
- The film should contain a title and [APSI Logo](#) at the beginning, the category to which it belongs, and in the end a message to the public.

All the entries should abide by the guidelines of the Indian Copyright Act 1957

The Copyright Act of 1957, protects original literary, dramatic, musical, and artistic works and cinematograph films and sound recordings from unauthorized uses. Unlike the case with patents, copyright protects the expressions and not the ideas. There is no copyright in idea.

- The film or documentary should showcase an idea or case representing an aspect of plastic surgery from a common man's viewpoint without too much technicality.

Awards

- APSI will have all the rights to showcase / display / play a video or part of the video on any platform at any date. The copyright and ownership of all the submitted movies will remain with the participant but APSI will be authorised to use the movie for advocacy as and when required.
- The Auditory/ narration medium of the film should be Hindi, English, or other Indian language. In case of a language other than English, the video should include subtitles in English as well.
- Due consent for the film should be taken from patients as per the international ethical consensus.
- There should be no negative remarks about a person or an organization in the video. Discrimination of any type, regardless of gender, ethnicity, or religion, is strictly forbidden.
- Promotion of any commercial product, substance or potentially hazardous materials are forbidden in the film.
- The film must be submitted latest by **June 15, 2022**, for consideration in the competition.
- In case of any disputes the decision of APSI will be final

APSICON 2022

APSICON 2022

56th Annual Conference of
Association of Plastic Surgeons
of India

09th-13th November 2022

THEME: SCALING NEW HEIGHTS

Amritsar

Venue: Punjab
Guru Nanak Bhawan,
Guru Nanak Dev University

Organised By:
Department of Plastic
& Reconstructive Surgery,
Amandeep Hospital,
Amritsar

Welcome Message

Dear Friends and Colleagues,

Greeting from the Organizing Committee of APSICON 2022, Amritsar.

We are delighted to welcome you all for 56th annual conference of Association of Plastic Surgeons of India APSICON 2022 being held at Amritsar from 9th to 13th November 2022. APSICON is going to happen in physical form after a gap of 3 years and the organizing committee is all geared up to make the first ever APSICON at Amritsar, a memorable one.

The organizing Committee is working really hard to put together an educational and scientific programme which will be an academic extravaganza packaged with cuisine to tantalize your taste buds and complete cultural fest. The conference will be held at exquisite Guru Nanak Dev University campus which boasts of state of the art newly built auditorium complex against the backdrop of its lush green lawns and play grounds.

This will be for the first time that ISAPS symposium will be part of APSICON with renowned international and national Aesthetic Plastic Surgeons teaching us the nuances of aesthetic surgery as part of APSI CME programme. In addition there will be renowned international and national faculty catering to all the subspecialties of plastic surgery.

Punjab is known for its hospitality and Amritsar is the torchbearer of the state. Its rich heritage and cultural traditions you have seen in countless movies. Now come and witness the splendour of Golden Temple, wagah border parade, gobindgarh fort, punjabi folk dance, tradition handicraft and elegant local products.

We are all excited to welcome you with family for this combo of academics and fun.

Looking forward to see you all at Amritsar!

Warm Regards,

**Org. Chairman &
APSI- President**

Dr. Abhishek Bhamre

Joint Org. Secretary

Dr. Adish Jain

Amritsar Attraction

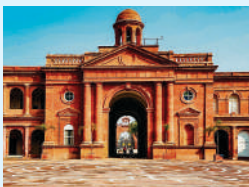

THE GOLDEN TEMPLE

The Golden Temple (also known as the Harmandir Sahib) is a gurdwara located in the city of Amritsar, Punjab, India. It is the preeminent spiritual site of Sikhism.

The gurdwara is built around a man-made pool (sarovar) that was completed by the fourth Sikh Guru, Guru Ram Das, in 1577. In 1604, Guru Arjan placed a copy of the Adi Granth in Harmandir Sahib. The Gurdwara was repeatedly rebuilt by the Sikhs after it became a target of persecution and was destroyed several times by the Mughal and invading Afghan armies. Maharaja Ranjit Singh, after founding the Sikh Empire, rebuilt it in marble and copper in 1809 and overlaid the sanctum with Gold foil in 1830. This has led to the name the Golden Temple.

JALLIANWALA BAGH

Jallianwala Bagh is a historic garden and 'memorial of national importance' close to the Golden Temple complex in Amritsar, Punjab, India, preserved in the memory of those wounded and killed in the Jallianwala Bagh Massacre that occurred on the site on the festival of Baisakhi, 13 April 1919. The 7-acre site houses a museum, gallery and several memorial structures. It is managed by the Jallianwala Bagh National Memorial Trust. It was renovated between 2019 and 2021.

PARTITION MUSEUM

The Partition Museum is a public museum located in the town hall in Amritsar, India. The museum aims to become the central repository of stories, materials, and documents related to the post-partition riots that followed the division of British India into two independent countries: India and Pakistan. The museum was inaugurated on 25 August 2017.

In 1947, British India was divided into India and Pakistan. The partition lines, drawn on a map by the British lawyer Cyril Radcliffe, divided the states of Punjab into West Punjab and East Punjab on the basis of religion. As a result, millions of people found themselves on the wrong side of the border overnight.

WAGAH BORDER

The lowering of the flags ceremony at the Attari-Wagah border is a daily military practice that the security forces of India (Border Security Force, BSF) and Pakistan (Pakistan Rangers) have jointly followed since 1959. The drill is characterized by elaborate and rapid dance-like manoeuvres and raising legs as high as possible, which have been described as "colourful". It is alternatively a symbol of the two countries' rivalry, as well as brotherhood and cooperation between the two nations.

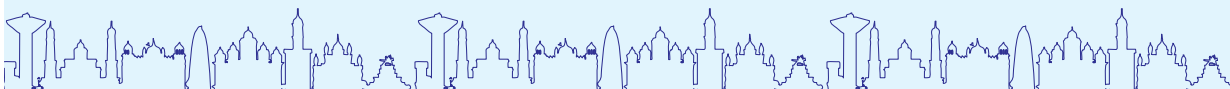

At the international border between India and Pakistan, the pomp and pageantry of the Beating Retreat and the Change of Guard occur within the handshaking distance of the Indian and Pakistani forces. Wagah, an army outpost on the India-Pakistan border between Amritsar and Lahore, is an elaborate complex of buildings, roads and barriers on both sides.

GOBINDGARH FORT

Gobindgarh Fort is a historic military fort located in the center of the city of Amritsar in the Indian state of Punjab. The Fort was until recently occupied by the army but was opened to the public from 10 February 2017. Today the fort is being developed as a museum and theme park, as a repository of Punjab's history. Popularly known as the Bhangian da Killa (fort of the Bhangis) after its 18th century founder belonging to Bhangi Misl of Dhillon Jats rulers. Sandhawalia Jat ruler Maharaja Ranjit Singh renamed it in the early 19th century after the 10th Sikh guru, Guru Gobind Singh.

Depending on planning of Scientific Sessions at APSICON 2022, such papers may or may not be grouped for presentation simultaneously. Panel of Judges will choose winner from presentations.

International Visiting Scholar Programme APSICON 2012. Two (2)

Guidelines - International Visiting Scholar Programme APSICON 2012

Introduction

- The Association of Plastic Surgeons of India (APSI) awards Two International Scholarships per Calendar year to a suitable overseas candidate for visiting Plastic Surgery centers in India to enhance his/her professional and academic career.
- The Fellowship was established in the year 2014 through a generous grant from the proceeds of APSICON2012, the 46th Annual meeting of the Association of Plastic Surgeons of India held at Lucknow, Uttar Pradesh, India in the year 2012.
- The Fellowship provides financial support to the tune of Indian Rs. 1,50,000 (One Hundred and Fifty Thousand Only) which is inclusive of the Early Bird Registration for the Annual Meeting of the APSI (APSICON) usually held towards last quarter of calendar year. It will be paid in Indian Rupees to the candidate or to any one of the host institute to be passed on to the scholar.
- The award amount is fixed and is intended to cover the travel costs and stay in the host institute. It can be used to cover costs for visa, passports, airport taxes etc. The award does not cover medical care, insurances or taxes in the country of the scholar; none of which the APSI will be liable for. They also should not be used to provide support for accompanying dependents.
- The Fellowship is not granted for basic training, courses, lectures, meetings, conferences, congresses, etc. It cannot be granted to candidates who are already physically present at the proposed host
- institute whilst their applications are under consideration.
- The period of fellowship in general will be for 3 months, which can be extended by the Fellow with mutual consent of the host institute for a period not more than another three months. The fellowship amount granted by the APSI will remain the same.
- The original Fellowship cannot be prolonged, or run concurrently with other awards, even those funded by other agencies. These Fellowships may not be financially supplemented by agencies other than the home or host institutes, or the Fellows personally.
- The candidate may choose to visit any center of his/ her choice subject to approval from the Executive Committee of the APSI. In case the candidate is unable to find a placement, the association may assist him in the matter.
- The candidate shall be responsible for communicating directly with the centers that he or she wishes to visit and obtaining their approval, which then has to be communicated to the APSI before the application can be considered for approval.
- The candidate shall be responsible for making his or her own travel and lodging arrangements and visa formalities.
- If an individual is selected as an International Scholar and is unable to obtain a visa, APSI is not responsible for continuation of the offer beyond a reasonable date, in which case the offer shall be extended to next candidate in waiting.
- The APSI shall ask the host institute to furnish a letter of acceptance to the fellowship program should the candidate require such a documentation for visa purposes.
- The candidate has to plan his or her itinerary such that he or she should be able to attend the Annual Conference of the Association of Plastic Surgeons of India (APSICON), which is usually held in the last quarter of the calendar year.
- The fellowship certificate shall be awarded to the candidate at this Annual Conference of the APSI.
- The fellowship award is inclusive of the Early Bird Registration fee of the candidate for attending the Annual Conference of the APSI
- following which the candidate shall be eligible to apply for the Overseas Membership of the APSI at prevailing rates.
- Majority funds shall be sent to the candidate or the host institute by APSI on receiving intimation of arrival of the scholar. The remaining remuneration if any shall be awarded to the candidate upon completion of the fellowship.

- The completion report along with a daily log of activity at the centers visited shall be submitted compulsorily to Secretary - APSI, before the award can be completed. The completion report should include details regarding the candidates' experience in India, what objectives were achieved and how the experience will affect their career goals.
- The candidates should, in their report, evaluate the program and the centers they visited and offer suggestions for modification and improvement.
- The report should be submitted preferably at the completion of the Fellowship related to visit of each of the centers.

Eligibility

- The candidate has to be a Plastic Surgeon/Surgeon practicing plastic surgery in his/her native country in the early stages of his/her plastic surgical career.
- Candidates who have passed the eligibility exam of their respective country within ten years of the date of application shall be preferred.
- Candidate should be residing outside India. Candidate has to be a surgeon of good standing among his peers as attested by the recommendations required by the application process.
- Each applicant should submit a short project summary of the objective of the visit, the reasons for selecting the host supervisor and the way the experience will be utilized after return from India.
- Hence, preference will be given to candidates who have shown adequate inclination to the sub- specialty they have chosen as well as their future prospects of utilization of the training obtained.
- The candidate has to be in good health and not suffering from any communicable diseases and has to furnish sufficient documentation to the effect.
- Candidate should be able to communicate in English language.
- The APSI or the host centers shall in no way be responsible for any health or safety issues that may arise during the course of the fellowship. The candidate should be suitably insured for the same.

Application process

- The application process has to be completed and submitted to the APSI Secretary usually before 30th July of each year (30th July, 2018 for the fellowship commencing in the year 2019) for the fellowship program that begins the next year.
- The application has to be on the prescribed format downloadable from the Association's (APSI) website (www.apsi.in)
- The application has to be bolstered by the necessary documents as mentioned in the concerned section.
- The application has to be submitted electronically to the Secretary of the Association of Plastic Surgeons of India (APSI) at email address specified in the form, and the same to be copied to singhkarun@hotmail.com
- The candidate may re-apply for a maximum of three years in continuity.

Documentation

- Application completed in all respects along with one recent frontal photograph and documents as demanded in application.
- Two recommendation – one from the Head / Director / Dean of the Department from where the candidate has passed the eligibility exam and another from the Secretary, President or any office bearer of the National Organization of the candidates specialty. In case there is no association then he may send the recommendation letter or from the association of his basic speciality.

APSI – Dr S Raja Sabapathy Leadership award (supported by Dr. Somes Guha)

The APSI – DrS Raja Sabapathy Leadership Award (supported by Dr Somes Guha), was instituted by Dr Somes Guha, a Plastic Surgeon of Indian Origin presently settled in the US. A corpus of Rs 15,00,000 has been deposited by him with the APSI to present one award each year. The award will be of the value of Rs 1,00,000 with a medal.

The Goal of the Award:

The intention of Dr Somes Guha in instituting this award is to provide a member of the APSI to develop leadership skills to help develop institutions, nurture academic bodies, innovations to reach out to the masses or to enhance the quality of care, thus improving the status of Plastic and Reconstructive Surgery in the country. The award is to be used by the awardees preferentially to develop the non-surgical skills which are so essential to leave behind a legacy. It could be used to take leadership and management courses, spending time with mentors to realise specific goals or any such activity which would benefit the field of Plastic Surgery and the Association of Plastic Surgeons of India. It is expected that the awardees will in future rise up to take leadership positions in the Association of Plastic Surgeons of India.

Criteria for Selection

- The applicant must be a member of the APSI, and within 25 years from qualification. While there is no lower or upper age limit, it is expected for the awardee to be in a position to utilise the award to the stated goals of the award.
- The applicant must send a copy of the CV, with a letter limited to 500 words providing justification of the award and as to how he/she will utilize the award. Goals with timelines will be appreciated and this letter will form one of the important criteria of selection.
- The applicant will provide the name of two referees who will vouch for the candidates selection.
- Selection will be made by a committee consisting of the President, President-Elect, Immediate Past President of APSI, one co opted member of the EC and Dr S Raja Sabapathy
- The award becomes operational in 2019. The EC decided that the committee will select the first candidate and from then on applications will be called for the selection for the award in future years.
- Applications are called for the selection for 2022 and the last date for receiving the application is 31st August 2022 by the secretary on hsecapsi@gmail.com or kuhavidush@hotmail.com. The winner will be announced during the APSICON 2022 The awardee must complete the assignment before Aug, 2023 and submit a report to the Secretary of the APSI, who in turn will forward it to the EC and the members of the selection committee for approval.
- The award money and the medal will be given to the candidate during the APSICON 2022.

Background Information

Dr Somes Guha is a Plastic Surgeon of Indian Origin, who worked for the major part of his life in the United Kingdom and USA and presently settled in the United States. He is passionate about Indian History and the history of Sushruta in particular. He donated a fund of over US \$ 100,000 to the Royal College of Surgeons of Edinburgh to establish the Sushruta – Guha oration. A committee of the British Association of Plastic, Reconstructive and Aesthetic Surgeons chose a surgeon with international reputation to deliver the oration during the summer meeting of the BAPRAS. Established in the year 2012, Dr S Raja Sabapathy delivered the 5th oration in 2016 at the meeting of the BAPRAS in Bristol. From 2018, the oration has been moved by the Royal College of Surgeons of Edinburgh to be delivered during the ICOPLAST meeting. Dr Guha wished to establish an award for developing the leadership skills in Plastic Surgeons which he felt would be of immense benefit for the growth of Plastic Surgery in India.

PGIMER-IT Jackson Cleft & Craniofacial Surgery Award

- The award will be open to full members of APSI working in the field of cleft and craniofacial surgery.
- The applicant will have to send the manuscript relating to his or her work to the selection committee well in advance of annual meeting.

Dr. Rajeev Ahuja Executive Trustee

The secretary informed this meeting is only for the members of APSI. Request all the others to leave the meeting. Please enter your name in chat box to record attendance. The secretary welcomed all the members of the association of plastic surgeons of India for the general Body meeting of 2021. He request President Dr. Rakesh Khazanchi for his opening remarks.

1. Opening remarks by the president.

The President Dr. Rakesh Khazanchi welcomed all the members of the association for the General body meeting of 2021. He said that we had a smooth virtual APSICON 2020-21 and we expect this GB to be also the same. President said to enter the name in chat box to record attendance, if anyone wants to ask a question please record in chat box, or raise a hand. He thanked all the members for their cooperation.

2. Reading the notice of the meeting.

The secretary said that the notice of this GB meeting and voting was published in April and August e newsletters of our association. It was also circulated to all the members by email, members whose email was not in record were sent agenda by speed post, I hope all the members have received it. All members confirmed receipt of this notice.

3. Condolences to deceased members.

The secretary informed informed about sad demise of

- **Prof. KP Thomas** former HOD Plastic SurgeryGovt Medical College Kottayam, one of student of Prof. CR Sundarajan at MMC,**Jyotsana Murthy**,Hirji S Adenwalla,Prof.FM Tripathi, **IT Jackson**
- **DR RATAN KESWANI**,Plastic Surgeon,HOD Surgery Rohtak Medical College1966-89 Passed away peacefully today at the age of 91 years
- **Dr.Suresh Gupta ,past president of APSI** and a very strong pillar of our association due to Covid 19. He was the 14th President of APSI1977.Prof.P.A.Thomas was secretary that time, because of his dynamic effort he could conduct IPRAS in New Delhi in 1987. I still remember his enthusiasm in forcing many of us to go to Montreal in 1983,so that a large representation from India, could force them to select India as venue and he succeeded. He was the Secretary General of New Delhi IPRAS and conducted it beautifully with Academic and Social programme's. He managed the Prime Minister Rajiv Gandhi to inaugurate. He could make a surplus IPRAS fund which was supporting various scholarship ,fellowship and visiting professorship for over 3decades. He was the man behind the formation of APSI trustee and he continued to be the main trustee till the end. He was a regular member of all conferences and he always made his presence felt with relevant questions and

sharing his experience. He had an authorial approach in many things. In all the conferences he used to come with his wife to whom he was very much attached. Let us mourn his death which was due to covid pandemic and hope his memory will remain in the annals of association

- **Prof PK Appukkuttan retired HOD Plastic surgery.** Calicut Medical College and one of the pioneer Plastic surgeons of Kerala left for his heavenly abode HOD , Dept. of plastic surgery , Meenakshi Mission hospital Madurai. Dr.Panchavarnam , expired due to Covid complications on 26th Nov. around 3.15 pm. A pillar of Support to the smile train project in this part of country.
- **Prof.N.Mahendran**,Hod of Plastic surgery in Madurai and MMC, a gentleman and affectionate, has passed away on 2020 December 9th
- **Dr. Sunanda Mitra** passed away in early hours of 11th January,2021 at Chandigarh. She was struggling with multiple health issues since last 2 years. She retired from PGI in 2000.
- **Dr N K Salampur** after brief illness
- **Prof BS Chandalia** ex head of department of plastic surgery, SMS medical college Jaipur he was the founder of plastic surgery department in the state of Rajasthan . He was a great teacher and noble gentleman
- With profound sadness and grief, I want to inform that our beloved Sir, **Prof S.N. Sharma** passed away peacefully at home on Feb 17th. As you all know, He was a giant in our specialty, started our department and residency program and groomed us to become plastic surgeon leaving a legacy. He was a source of strength and inspiration for all who knew him. He will be missed but we will continue shining his light by carrying it within us in our own lives.
- **Dr KL Takkar** left us for heavenly abode on 21 May 2021
- Deeply moved by the demise of Kerala's doyen of Plastic Surgery, **Prof. P. A. Thomas.**
- **Dr Sheetal Parihar** from Ahmadnagar
- **Dr JK Sinha** 18 june 2021 Plastic Surgeon. Ex Director, Inst of Med Sciences, Banaras Hindu university. Past President: Association of Plastic Surgeons of India
- **Prof Annada Pattnaik**, formerly HOD ,Dept of Plastic Surgery, SCB Medical College, Cuttack, has left for heavenly abode on 11.09.21 at 8pm. An eminent Plastic surgeon in Odisha, an excellent teacher and a great human being is survived by two sons and his wife. A great loss for all of us. May his soul rest in peace.
- **Dr Ramesh Chandra Past president, APSI**, Ex HOD Plastic surgery KGMU Lucknow, Ex Principal KGMC Lucknow

Members observed silence and paid homage to departed souls.

4) Resolutions

- I. “Resolved that Treasurer’s Office will be amalgamating the audited accounts of APSI and submitting it to Income tax department as well as Charity Commissioner’s Office, before 31st December 2021, before next General Body Meeting.”**
 - a. “It is further resolved that, Treasurer will be circulating the audited accounts by email to all APSI Members and seeking their approval before submission.”
 - b. Passed unanimously

- II. “Resolved that, Treasurer APSI, be and is here by authorized to file the returns to Income Tax Department & Charity Commissioner’s Office”.**
 - a. Passed unanimously

5) NOTICE FROM GST Council Mumbai

A notice was received by APSI from GST Department, Mumbai on 23.7.2021 in reference to the return GST ASMT 10 for the tax period 07 2017 - 03 2018. The notice intimated APSI that GST return filed for FY 2017-18 had a difference in liability shown in GSTR 1 and GSTR 3B along with GSTR 2A and required APSI to pay the outstanding tax amounting to Rs. 7,38,013/-. The matter was discussed with the APSI auditor and was inferred that the dues were pertaining to the APSICON 2017. The matter was also discussed with members of Board of

Trustees, APSI auditor, auditor of APSOCON 2017 and Dr. Subramaniam Iyer, Past President APSI (Organizing Chairman APSICON 2017) and auditor of APSICON 2017 was requested to provide the books of account or Tally data of the conference. On receipt of the books of accounts, the data of APSICON 2017 was reconciled with returns filed in FY 2017-18 and the outstanding tax amount of Rs. 3,39,804/- was deposited with GST department. APSI auditor has represented to the department for commuting of the interest amount in its reply. In addition to this the APSI auditor has informed that APSI needs to be prepared for further notices from the department for the Financial Year 2017-18 (ongoing) and Financial Year 2018-19 as well, as there is a GST tax liability of around Rs. 8.5Lakhs excluding interest and penalty. Hence the Tally data for the Financial Year 2018-19 is also required for analysis of exact tax liability

In view of this following resolutions were passed in the last EXCO meeting :

“The complete Tally data of the books of accounts of APSICON 2017, APSICON 2018 and APSICON 2019 may be made available to Treasurer APSI for the purpose of reconciliation of books of accounts with GST returns.

Now on Tally data of books of accounts of APSICON accounts will be shared every month with the Treasurer APSI for the purposed GST filling. “

6) Schedule for submission of audited accounts for the financial year 2021-22:

31st March 2022 : Financial year ending

1st June 2022 : Last date for submission of all audited accounts

10th June 2022 : Audited accounts are sent to the auditor for amalgamation.

30th June 2022 : Auditor amalgamates all accounts, requests for further details of a particular account/s or explanation if required,

1st July 2022 : Amalgamated audited accounts are circulated to all members for their approval, queries, suggestions.

10th July 2022 : Last Date for informing queries/ suggestions by Esteemed members.

16th July 2022 : The accounts are considered passed by APSI members if there are no objections / queries or if queries are answered satisfactorily.

1st August 2022 : Audited accounts are submitted to Income Tax and Charity Commissioner's Office

The Treasurer thanked the august body, the Executive Committee Members and the members of the Board of Trust for their support and contribution.

Prof.(Dr.) Sameek Bhattacharya
Treasurer APSI

Treasurer’s Report was passed unanimously by all the members present in the General Body meeting.

Accounts- Year Ending 31st March 2021

Trustee's report for the year 2019-21. Dr. Ahuja presented the final audited accounts of the Trust as of 31st March 2021. Dr Ahuja complimented treasurer for exemplary work and said I am voluntarily resigning as an executive trustee. These audited accounts had been earlier submitted to the Treasurer APSI for amalgamation with the other accounts of the Association. It was stated that these accounts will be submitted to the authorities before the due date, which now stands extended till the 31st December 2021.

Dr Ahuja highlighted that these final accounts reflected that the Corpus now was about 8.214 Crores. Presenting the Income / Expenditure statement Dr Ahuja stated that there was approximately Rs 40 lakh of excess income over the expenditure in the last financial year due to curtailed activities of the Association from COVID 19 restrictions. It was advised by the CA of the Trust that the CA of the APSI who files the income tax returns should now write a request letter to the income tax authorities requesting a carry forward of the excess income by stating the obvious reasons or else we will be liable to pay a heavy tax on these savings. The balance sheet also reflected the Rs 10 lakh loan extended to APSICON 2020 being held in 2021. This amount was due for return in the current financial year.

15% of all interest generated was used to augment each corpus as reflected on the relevant pages of the balance sheet statement. Total income during the year was approximately Rs 51.68 lakhs and the expenditure was approximately Rs 11.75 lakhs. Rs 3,92,217/- was the final savings from APSICON 2018 of which Rs 92,217/- was received in the year 2020-21. As is mandated by previous Resolutions 10% of above was used to augment the Journal Corpus and 5% to the Buffer fund. The remaining was added to the corpus of R N Sharma Symposium Corpus as per desire of the APSICON 2018 organizers.

ADDITION TO CORPUS FUND IN 2020-21 :

APSI Reserve Fund-Surplus from Treasurer (2020-21)	
Life Membership Fund	Rs. 420,000/-
Surplus from APSICON 2018	Rs. 92,217/-
Any Other	Rs. 0/-
TOTAL	Rs. 512,217/-

Corpus for period ending 31st March' 2021

Ear Marked Corpus Rs. 7.288 Crores

Total Fund/Corpus Rs. 8.214 Crores

It was decided that the unmarked funds will be parked in the Buffer Fund Corpus to meet with any Tax liability that may arise due to the additional savings in the year 2020-21.

Income & Expenditure - 2020-21

Interest Receipts on Fixed Deposits	Rs. 50,43,432.00
Interest Receipts from Savings Bank	Rs. 1,25,049.00
Expenses Incurred	Rs. 11,75,472.00

Treasurer's budget for 2021-22 showed an estimated expenditure of Rs 38.67 Lakhs.

Treasurer had already been provided Rs 9.5 lakhs and he would be receiving Rs 10 lakhs from the APSICON 2021 which was the return of the loan.

Corpus Fund Deployment as on 31st March 2021 :

HDFC LIMITED	:	29.62%
LIC HOUSING	:	6.56%
STATE BANK	:	63.82%

Reorganization of the APSICOPN 2011 corpus and the IPRAS 2009 Humanitarian Fund corpus was executed as was Resolved in an earlier Executive meeting. Thus, Rs 40 lakhs was transferred from APSICON 2011 corpus to the Journal corpus which now was around 1.2989 crores. The remaining amount of Rs 22, 99, 329/- was converted in to a new corpus of 'Virtual Office of APSI'. The entire amount of IPRAS 2009 Humanitarian Fund Corpus of Rs 32, 94, 710/- was transferred to the APSI accredited Course corpus which now stood at Rs 42, 81, 627/-. Dr. Ahuja explained that with this augmentation the APSI accredited courses could easily fund itself by interest as the courses were now held virtually, and if six courses are held in a year at an average cost of Rs 30,000/- per course the entire expense could be easily met.

The change report in respect of the appointment of Dr Ramesh Sharma, the demise of Dr. Suresh Gupta and the appointment of Dr V. Bhattacharya as the Chairman of the Trust will be filed shortly as the papers are almost complete. With in a week the documents should reach Dr Thatte for handing over to Dr Shailesh Ranade who is overseeing this submission. The Change report in respect of the change in the Bye laws is still under preparation at the lawyer's office in Mumbai.

Dr Shailesh Ranade was asked by the Treasurer about his desire to have the Registered office moved from his residence but there was no response. The Registered office of APSI continues to be the same.

The two accounts, one in Canara Bank and the other in the Central Bank could not be closed as we were struggling with the main account in SBI at Mumbai. The request to Change the branch to Delhi was not getting executed nor was Dr Ahuja's phone number getting incorporated for online checking of accounts (online transactions are banned on our Trust account). Also interest from an HDFC deposit was to get credited in the Canara Bank account on the 31st March 2021. This work can be executed in the current financial year.

There was no further development regarding the court cases pertaining to Dr Ashok Gupta as the courts have been closed due to COVID.

Dr. Ahuja explained the notice from the income tax department regarding our GST liabilities for 2017-18. Notice was received from GST Dept, Mumbai on 23.7.2021 reference GST return for the tax period 07/2017 – 03/2018.

The notice intimated APSI that GST return filed for FY 2017-18 had a difference in liability and required APSI to pay the outstanding tax amounting to Rs. 7,38,013/-.

The dues were pertaining to the APSICON 2017.

APSICON 2017 was requested for Tally data. An outstanding tax amount of Rs. 3,39,804/- was deposited with GST department. APSI has represented to the department for commuting of the interest amount. This amount will be deducted from the APSICON 2011 corpus. Thus the following Resolution was adopted.

The amount paid to income tax department in respect of the GST liability from the APSICON 2017 / 2018/2019 accounts shall be deducted from the respective corpus.

APSI auditor has informed that APSI needs to be prepared for further notices from the department for the Financial Year 2017-18 (ongoing) and Financial Year 2018-19 as well, as there is a GST tax liability of around Rs. 8.5 Lakhs, excluding interest and penalty.

Hence the Tally data for the Financial Year 2018-19 is also required for analysis of exact tax liability.

The Executive Trustee underscored that since APSICON is organized with APSI PAN No. it should be customary to share the Tally data of Conference accounts regularly in order to determine exact tax liability and that GST returns are filled properly.

Following Resolutions passed by EC on 23rd Sept 2021 Meeting were shared.

'The complete Tally data of the books of accounts of APSICON 2017, APSICON 2018 and APSICON 2019 may be made available to Treasurer APSI for the purpose of reconciliation of books of accounts with GST returns.'

'Now on Tally data of books of accounts of APSICON will be shared every 3 months with the Treasurer APSI for the purpose of GST filling'

Court cases

Court case filed in charity commissioner office has been closed in our favour

Dr Ahuja informed a complaint was launched in the same office for which he was summoned last November 2020 and he attended that along with Dr Mukund Thatee , a 2000 Page documents were provided to them in justification, that this case was frivolous and this should be scratched. We have not yet it's almost a year now. And we have not yet heard back from the office of the charity Commissioner, the fate of this court case, and then is the court case which was initially filed the civil suit against Apsi. And the courts have not been functioning for last one and a half years. So nothing has been decided, but on the basis of the judgement which has been received from the charity

Commissioner office, the same judgement will be shown whenever there is a next hearing in the civil suit, and we are likely to win that case also. That is, we are very optimistic about it.

A fourth case has been filed very disturbingly against individuals as a criminal offence for having denied Dr. Gupta his Gillies oration and for this wrongful termination, this criminal court case is personally in the names of Rajiv Ahuja, Prabha Yadav, Mukund Thatte, Dr. Ramesh Sharma, Shailesh Ranade and two chartered accountants that these have manipulated and these were in connivance to execute this to turn him out and to deny him the Gillies oration. This was absolutely false. All actually were summoned with a non bailable warrant, and which was again very unjust on part of the presiding judge. We all had to go to Bombay to seek bail. We are all on bail at the moment. And to top it all, there was no investigation to find this criminal case. The investigating officer did not even talk to us to take our opinion and the judge permitted to admit the case and issue a non bailable warrant to us. We have filed for quashing of this criminal case. And unfortunately, this was put on a stay order was given for the execution of the order of the Metropolitan Magistrate. But we have filed a case for quashing of the case. These this case but there has been no hearing for one and a half years. So we have not been able to move any further on this matter also. Although we have decided now that we will through our lawyers approach the court and tell them for an early resolution of this stay order and to portion of the case next. So before I take your leave, I am very happy to announce that although I have stepped down the association, the trust will be very able hands of Dr. Mukund Thatte who has been appointed as the new executive trustee, and from next general body onwards he will be he'll be the one who will be participating as an executive trustee. Thank you very much. Thanks

Approval of appointment of Dr Prabha Yadav as a member of trust was taken from general body

The General body approved unanimously the appointment of Dr Prabha Yadav as a member of trust by voting 100% yes.

Approval of appointment of Dr Mukund Thatte as an executive trustee was taken from general body

Appointment of Dr Mukund Thatte as an executive trustee was approved by voting 97% yes, 3% no

Dr Khazanchi said before we go to next item on the agenda, I would on behalf of APSI and all the executive council and members would like to extend our sincere appreciation and thanks for a great job that Dr Rajiv Ahuja has done. He had brought the the association funds to a much higher level as a trustee for past many years. And I finally I welcome Dr. Mukund Thatte who's going to be our new executive trustee. I welcome Prabha Yadav I think I understand the First Lady member of the trust.

Editor's report and accounts for 2019-21

Editor APSI Report:

Oct-2021, GBM

Publication- Increased frequency:

All three issues of IJPS were published on schedule in 2020. From 2021, the number of issues was increased to four per year. As per schedule, 3-issues have been published, and the fourth is scheduled to be published in Dec-2021. IJPS will publish Six issues from 2022.

Theme issues:

Hair Restoration will be published in 2021- Dec, Guest editor: Dr. Sandeep Sattur.

Gender Incongruence: on preparation, Guest editor: Dr. Richie Gupta

APSICON 2021 special issue: Original articles submitted from papers of APSICON-2021 will be published as a special issue in mid-2022.

Journal Metrics and Indices:

The IJPS has achieved Scopus Cite Score of 0.8 for the year 2020 and currently the score is 1.0 for the year 2021.

Finances:

The editorial team has generated Rs. 10,81,576 during the ensuing years. The balance sheet is as below:

F.Y. March- April	Opening Balance	Journal Fund from APSI	Sponsorsh ip/ Contributi on	Bank Interest	Total credit	Debit payments to publisher/v endors	Closing Balance
2019- 20	24,364	5,37,222	790,547	20648	13,72,7 85	4,67,058	9,05,727
2020- 21	9,05,72 7	7,06,379	2,91,029	19,892	10,17,3 00	18,74,451	48,576

*Contributions received after 30th April 2021 is not reflected.

Corpus augmentation with Rs. 40 lakhs from APSICON-2011 savings: As per the decision of Dr. Raja Sabapathy, the president of APSI-2011, part of the savings of APSICON2011 will be used for augmenting journal corpus. The interest generated will be added to the annual grant for the journal.

Printing and stationary Costs:

The estimated budget for the next year- 2022 will be Rs. 14 lakhs and an additional Rs.4 lakhs for the stationery and postage. There have large number of non-deliveries of print copies due to insufficient addresses. This has led to over 40% wastage print copies. With current funding of Rs. 7lakhs from the APSI, the entire burden to meet the shortfall of over 10lakhs rests on the revenue generated from advertisements. As discussed in the EC meeting, the decision was taken to print minimum copies to reduce the cost and introduce charges for print copies to the members so that the frequency of IJPS can be increased. The editor informed the GB about the problems and options of cost cutting measures. The President of APSI moved the proposal in the GBM to print minimum copies and charge for print copies to the members. The proposal was adopted after the motion was passed with 70-30 majority votes of GB.

Collaboration with PRS:

Further to the ASPSP- APSI MoU, associate editors of IJPS were recommended to the reviewers/editorial board members for PRS, PRS-Go.

IJPS on Social Media:

Resident editors actively promote the journal on social media, including Twitter, Instagram, and Facebook, with regular posts and videos.

Acknowledgments:

Editor thanked all the members of the editorial team and advisors, the EC and all the members of APSI for their support and cooperation during his term from 2018.

The general body approved the Editors report unanimously.

Secretary's report

The secretary informed that we are facing covid pandemic and 2020 was declared a 0 year, we have lost many member due to covid, online webinars were organized, with the help of Dr S Raja Sabapathy, Dr Rajiv Ahuja, Dr Khazanchi mou with ASPSP was signed, Member of Good standing certificate were given to more than 30 members on their demand

With the efforts of Dr Khazanchi, Dr Raja we were able to convince many national plastic surgery associations of other countries and celebrated 15 July as World Plastic Surgery Day

Endorsements were given by APSI .

A to Z of flaps webinar- Dr Selva

Hair grafting workshop - Dr Kamal Kumar

APSI accreditation courses(supported by Ethicon and APSICON 2005 fund)were held in this year.

Vascular Anomalies 24 April 2021 Dr Vinita Puri

Recent advances in head and neck reconstruction 26 June 2021 Dr Ramesh Sharma

Module 3 Basic principle and Basic science 7-8 August 2021 Dr Ankur Bhatnagar

Secretary informed following Awards were ceremonially given virtually during Inauguration APSICON 2020-21

1. Plastic Surgeon for the Year 2020-21, Dr. K. S. Shekar Endowment -
Dr Suresh Gupta

Criminal case ASHOK GUPTA

Secretary informed the matter of criminal defamation case filed by Dr Ashok Gupta against some senior members of APSI was discussed by members of executive committee

After deliberation Resolution were passed

It is resolved unanimously that APSI will file a complaint against Dr Ashok Gupta with appropriate authorities regarding irregularities in the APSICON 2013 accounts.

Resolution was passed unanimously in Executive committee

While it has already been resolved that APSI will file a complaint against Dr Ashok Gupta regarding the accounts of APSICON 2013 with the appropriate authorities, it is further resolved that Dr Prabha Yadav past President of APSI is authorised to file this complaint on behalf of APSI, as per rights given to her in GB resolution of 2018.

Resolution was passed unanimously in Executive committee

Secretary informed Dr Ashok Gupta contacted him on phone, and I politely replied to Dr Ashok Gupta, that talk on phone has no relevance whatever he wants to say please communicate with secretary or president by letter or email.

The he has written a mail secretary read the mail and also informed about reply

APSI has taken note of your request for a compromise in the matter of criminal case of defamation against some of our senior members. We have passed on your letter to our lawyers in this matter. Please ask your lawyers to get in touch with our lawyers to decide on the terms of this proposed compromise. Once that is done, we can proceed further.

The executive committee members decided that the request should be dealt with through the lawyers.'

Secretary informed Dr Ashok Gupta has not replied after that .

- **In EC of June 2020 resolutions were passed**
Letter was sent to GB Members in June 2020

30 June 2020

Dear Esteemed member of APSI

An emergency meeting of the executive committee of Association of Plastic Surgeons of India was held on 30th May to discuss the situation arising out of COVID-19.

It was unanimously agreed that it will not be possible to hold Apsicon 2020 at its scheduled time.

Reasons;

Large gathering for a conference may be not permitted by the government. Expected thinner attendance that usual for APSICON. Lack of preparation time. Large sponsorships not expected in 2020. Foreign Faculty may be wary of travelling internationally. Social distancing norms to be maintained during the entire event, including meeting hall, exhibition and catering. Banquet facilities still not resumed by the Government. Hotels being taken over by the Government for COVID patients. Uncertainty on how the situation evolves in the next few months with the peak expected in August. That also means that none of the other activities which normally get done during the

conference will be possible. The members also went through the bylaws of our Association. These provide a provision to extend the term of the President and Vice President by one year and there is a precedence of this being done once in the past in 1962.

It was unanimously resolved that the current year be treated as a zero year, all the activities of current year be moved en bloc to the next year and the term of the current APSI Executive Committee be extended by one year.

Thus it is resolved that "In view of the extenuating circumstances created by Corona Virus outbreak APSICON 2020 stands suspended, new date will be announced later. It is further resolved that term of the entire executive members shall be extended by a year".

The new dates for Apsicon will be announced once the COVID situation permits.

If the APSI Secretary receives no objection to this Resolution within 2 weeks of this mail it shall be deemed to have been approved by the General Body.

Please forward any other constructive suggestions you may have regarding the resolution.

Regards

Hon. Secretary
Association of Plastic Surgeons of India

Few members had sent queries, they were answered and these members were satisfied and accepted so these resolutions were passed

MOU with ASPS

- Secretary informed that Zoom meeting was held between ASPS and APSI on 27 August 2020 and 10 September 2020 regarding MOU. The MOU has been signed, and this is for the information.

In executive committee meeting in February 2021 few resolutions were passed

Letter to GB Members was sent in February 2021

Dear Esteemed member of APSI

An emergency meeting of the executive committee of Association of Plastic Surgeons of India was held on 30th May to discuss the situation arising out of COVID-19.

It was unanimously resolved that the current year be treated as a zero year , all the activities of current year be moved enbloc to the next year and the term of the current APSI Executive Committee be extended by one year.

Thus it is resolved that “In view of the extenuating circumstances created by Corona Virus outbreak APSICON 2020 stands suspended, new date will be announced later. It is further resolved that term of the entire executive members shall be extended by a year”.

The new dates for Apsicon will be announced once the COVID situation permits.

The above resolutions were electronically circulated to the members with message

If the APSI Secretary receives no objection to this Resolution within 2 weeks of this mail it shall be deemed to have been approved by the General Body.

Please forward any other constructive suggestions you may have regarding the resolution.

Secretary received few messages , in which the members approved the resolutions ,no objections remained, so 2020 was Zero year.

Executive committee meeting was held on 31 october 2020 with few resolutions passed

The President APSI announced the proposal from Dr Raja Sabapathy to grant savings of APSICON-2011, a corpus of Rs. 40 lakhs towards journal fund.

Resolved that proposal from Dr Raja Sabapathy to grant savings of APSICON-2011, a corpus of Rs. 40 lakhs towards journal fund is accepted

- Proposed by Dr Rakesh khazanchi
- Seconded by Dr Sandeep Vijay Raghwan

President asked Rs 10 lacs as seed money, resolved that Rs 10 lac be given to Dr Rakesh Khazanchi president APSI as a seed money

- Proposed by Dr Selva
- Seconded by Dr Durga karki

Zoom meeting was held between ASPS and APSI on 27 August 2020 and 10 September.2020 regarding MOU . the MOU has been signed, and this is for the information.

It was resolved that humanitarian fund and APSI accredited course be merged

- Proposed by Dr Rajiv Ahuja
- Seconded by Dr Rakesh khazanchi

Henceforth, the Course Title shall drop the name 'Ethicon' and will now be known as;

**APSI Accredited Course
(Supported by APSICON 2005 & IPRAS 2009)**

The Board of Trustees Meeting of The Association of Plastic Surgeons of India

Held on 29th November 2020, Sunday, at 11AM, on Zoom platform.

Dr V Bhattacharya was elected as a chairman of board of trustee by the board of trustee, and name of Dr Ramesh Sharma was suggested by the board of trustee.

Below are the points in our bylaws rules and regulations Article VIII-Properties and Assets

TRUSTEE:

- 1a** A minimum of 2 and a maximum of 5 Trustees would constitute the board of trustees.
- 1b** Each Trustee will be appointed for a term of 5 years on the suggestion of existing Trustees, with the approval of Executive Council and the General Body.
- 1c** The Board of Trustees will elect a Chairman and Executive trustee.

Executive approval was taken, approval from general body is required.

Few resolutions were passed

1. Resolved that, 'A new 'Virtual Office' Corpus shall be set up from the split of APSICON 2011 corpus. Further, Resolved that Rs 40 lakhs from the APSICON 2011 Corpus will be merged with the Journal Corpus and the APSICON 2011 Corpus shall be extinguished.'

- "Resolved that the payment for Plastic Surgery notes be made at the rate of 6% out of (Apsicon 2015 fund).

APSI Accredited Course Committee Meeting held on 12th December, 2020 at 6PM on Zoom Platform minutes

Meeting was attended by

- Dr Rakesh Khazanchi, President and designated convenor for 2020
- Dr Rajeev Ahuja, Chairman Course Committee
- Dr Vijay Kumar, Secretary
- Dr Sameek Bhattacharya, Treasurer
- Dr Ramesh Sharma, Designated Convenor for 2020
- Dr Vinita Puri, Designated Convenor for 2020

Dr Ravi Mahajan, President Elect requested leave of absence.

At the outset Dr Ahuja explained the need to conduct this meeting because these courses had been cancelled this year due to the pandemic. The matter had been raised within the last Executive Committee meeting of APSI held on the 31st October 2020 wherein it was decided that we should explore the possibility of having these courses 'online' and work out a plan with potential costs. Dr Ahuja shared that the Executive Committee had agreed to merge the 'Humanitarian Corpus' with the 'Accredited Course Corpus' and the consolidated Corpus for the course was about Rs 40 lakhs from this year onwards. It was also shared that the Executive Committee had permitted a Registration fee of Rs 1000 per delegate, per course.

Everyone favoured the holding of these 'online courses' and agreed a wide audience could be interested. In future, once the pandemic scare is over, it may be possible to have Hybrid courses where some participants are present physically and the rest participate 'online'.

The deliberations lasted over 70 min and the following decisions were taken.

1. The courses shall be conducted on a subscribed ZOOM platform for which the Treasurer shall make a Registration and payment on behalf of APSI. The subscription should be for one year and the platform will be available for unlimited time during the subscription period. This platform can then also be used for any other official APSI meetings also. The indicative cost of such a subscription was about \$15 per month, which all agreed was extremely reasonable.
2. Since the hosting cost was extremely low there was no immediate need to charge any Registration fee from the delegates. At least for the first year APSI could test waters by making the course free and then depending on the interest expressed by the participants a charge could be decided form the next year onwards. This could even be a

once-a-year charge for all the courses for that year, and for new APSI members it could be made mandatory in the membership fee by adding a loading fee of Rs 1000 for that year.

3. With an estimated interest available being Rs 2.4 lakhs annually, there should be no immediate requirement for a major sponsor of these courses. However, small local sponsorship could be availed by the convenors to mitigate some incidental expenses. Such a sponsorship amount shall be paid directly to the Treasurer who will reimburse the convenors against actual invoices forwarded to him. This arrangement shall obviate the need to open individual 'course accounts' by the convenors and also do away with the system of APSI having a signed contract with the Convenors.
4. Large sponsors could be later invited to bolster support for these courses. The sponsorship levies can be worked out in a subsequent discussion. Similarly, the fee for the small local sponsorship also needs to be worked out. Henceforth, the Course Title shall drop the name 'Ethicon' and will now be known as;

**APSI Accredited Course
(Supported by APSICON 2005 & IPRAS 2009)**

5. It was agreed that a structured curriculum for 3 years be drafted, focussed on PG training in all aspects, including lectures, case discussions, journal clubs and operative discussions on video.
6. Since this increase in scope of the courses envisaged tremendous insight and involvement in course designing and its conduct, it was suggested by Dr Khazanchi that a HOD of a Teaching Institution should be actively involved in this work. Hence, it was unanimously agreed that Dr Ramesh Sharma shall be appointed as the Co-Chairman of these courses.
7. Further, it was agreed to have these courses every month or every other month so that they impart comprehensive teaching, and become very attractive to postgraduate resident doctors
8. and younger consultants. This format will also be not competing with other surfeit of webinars being held currently by other individuals or Societies.
9. If any APSI course date conflicts with the webinar of any other Society then APSI shall not change the announced date for its course.
10. Since it is difficult to sit before a computer for a long period of time it was agreed that these courses shall follow the weekend schedule as before but for only 4 hours each day (Saturday & Sunday) with a 30 min break after 2 hours. The course should be designed to complete in 8 hours schedule and if it is necessary it may be carried over to the next or any subsequent weekend, as may be feasible.
11. Dr Vinita was requested to prepare templates for graphic publicity and share in the next meeting.
12. Dr Vinita shall be hosting the first 'online module' in January / February 2021, as may be feasible, and on the same topic as assigned to her last year because the course content and the speakers are already planned.
13. Dr Khazanchi mentioned that APSI was shortly hiring a part time Secretary for its virtual office and she could assist in Registration for these courses, and handling all other correspondence, including sending the mailers.
14. It was decided that a registration link would be sent so that each delegate / faculty would register and receive an individual unique password. This would help us keep listing of those registering and would help increase our database for sending further program links.
15. Dr. Vinita was requested to procure the contact ids (email and phone numbers) of the resident groups in the country. This list shall complement the APSI membership mailing database.

If the APSI Secretary receives no objection to this Resolution within 3 weeks of this mail it shall be deemed to have been approved by the General Body.

Please forward any other constructive suggestions you may have regarding the resolution.

Hon. Secretary
Association of Plastic Surgeons of India

Secretary informed no objection to this Resolution were received within 3 weeks of this mail it was deemed to to be approved by the General Body.

Applications for institution of new awards

Secretary informed no objection to this. Resolution was received within 3 weeks of this mail. It was deemed to be approved by the General Body.

Applications for institution of new awards

Secretary informed in last GB meeting 2019 two application were put one by Dr Rajiv Agarwal other by Dr Alok Sharma

- Dr Rajiv Agarwal application was put in regular EC of 2019 and was informed in GBM of 2019 in midterm EC was also discussed
Executive committee discussed the issue and it was Resolved that the corpus of Kilner award be augmented to Rs 10 lakhs by Dr Rajiv Agarwal. It will be renamed as Kilner Ramesh Chandra Award for the period of 5 years.
Proposed by Dr. Dr Durga Karki
Seconded by Dr. Bhibhuti

Agenda 1 issue of Kilner award . In GBM of 2018 it is minuted

- Restructuring of existing awards
Awaiting Augmentation of Corpus by Pharma companies or else Future APSICONS
The Charles pinto CME (1.54 L) corpus can be augmented by a sponsor. The sponsor's name will be acknowledged. The amount is Rs. 10 lakhs for period of 5 years.
Kilner award (1.13 L)- Augment corpus to ten lakhs. Can add another name along with it.

The corpus of PEET prize (2.05L) can be augmented by adding another name to it. The cost will be Rs. 10 lakhs for 5yrsduration.

Shushruta Oration (1.70L)- the corpus can be augmented to ten lakhs. The name of the contributor will be acknowledged on a standee

ALL WILL BE Supported for next 5 years only.

Dr Rajiv has written a letter to Secretary APSI

Dr. Vijay Kumar

Hony Secy APSI

Subject: Renaming of "Kilner award" as "Kilner Ramesh Chandra award" for the period of five years

Dear Dr. Vijay,

At the outset, I express heartfelt gratitude and thanks for considering my request to add the name of Dr. Ramesh Chandra with the pre-existing Kilner award in the award restructuring category group. I have noted as per your email that the EC of 2019 has already resolved to rename the award as Kilner Ramesh Chandra award for five years. I agree to augment the corpus from 1.13 lakh to 10 lakh.

However, I have reservations over the addition of 5 years clause with this renaming. In this regard, I wish to submit the following facts:

1. That the awards committee under the leadership of Prof. V. Bhattacharya did a commendable job in laying the guidelines and framework of pre-existing and new awards published in the minutes of GB 2018. Needless to say that these recommendations as have been stated by Prof. V. Bhattacharya himself have been discussed threadbare by EC and then presented elaborately to GB of 2018. Further on suggestions have also been received from Gurgaon EC of 2018. These recommendations are being followed in black and white from then on in all the subsequent APSI meetings.

2. That the awards committee had made it eloquently clear that no new award will be perpetual and there will be a time limit of 5-10 years for a new award.

3. That the recommendation clearly states in respect of the Kilner award as follows: "Augment corpus to ten lakhs. Can add another name to it"

There is no mention of a time limit in this recommendation.

4. That the request was made to add the name of Dr. Ramesh Chandra with the pre-existing Kilner award only after thoroughly studying the document and reading the conditions associated with this particular award.

5. That no clarification, amendment has been issued regarding time limit of the Kilner award all these years since the recommendations were published in 2018.

6. That it appears unfair to impose the time limit of 5 years when the already published, accepted and properly vetted document of the award committee of APSI specifically does not mention any such clause in respect of the Kilner award.

7. That the imposition of 5 years time frame does not match with the recommendation of APSI's own award committee in respect of this award and hence is not a part of the guideline.

In light of above facts, I first would like to thank the APSI EC of 2019 to have taken the decision to rename the award as Kilner Ramesh Chandra award but would strongly request to drop the 5 year time limit on the ground that this particular clause does not exist in the original and the current document and guidelines of the award committee.

Hoping for a kind consideration of my request.

So to discuss this a meeting was arranged on zoom platform

14/10/21, 8:30 AM

Topic: Vijay kumar's Zoom Meeting

Time: Oct 11, 2021 05:00 PM Mumbai, Kolkata, New Delhi

Meeting ID: 869 1174 9118

Attended by

- Dr. V. Bhattacharya- Head of the committee
- Dr. Parag Sahasrabudhe- Member secretary of the committee
- Dr Subramania Iyer – Member
- Dr. Rakesh Khazhanchi – Member
- Dr. Shailesh Ranade- Member
- Ex Officio Member
- Secretary APSI
- Treasurer- Member

The award restructuring committee deliberated and decided no award is perpetual it is only for 5 years if Dr Rajiv Agarwal augments kilner award corpus to 10 lakh this award can start from next year

Agenda 2 issue 2

14/10/21, 8:30 AM

Starting new visiting professorships and National Travelling fellowships

New visiting professorships can be started in Microsurgery, Hand surgery, Plastic surgery, cosmetic surgery, cleft and craniofacial surgery etc. Similarly Visiting National Travelling fellowships can be started in similar sub specialities. They can be named after an individual. The amount for professorship will be Rs. 1,50,000 and for national Travelling fellowship will be Rs. 1,00,000. The total amount of

Rs. 2,50,000 needs to be paid for one professorship and one national travelling fellowship by the person who intends to start these fellowships. So we can have 5 such sponsors each paying Rs. 2,50,000. The entire interest amount will be handed over to awardees. APSI will not earn anything out of this .

Sponsors name will be acknowledged as (supported by ---). The president APSI will have the authority to choose names of professors for each subspecialty and EC and GB will finalise the same every year.

Dr Alok sharma sent a proposal for instituting a 'Visiting Professorship in Plastic Surgery' in the name of Late Dr (Brig) Sandeep Mehrotra in 2019

it was discussed in GB of 2019 and minuted as

Secretary informed that he has received an email from Dr Alok Sharma the proposal for instituting a 'Visiting Professorship in Plastic Surgery' in the name of Late Dr (Brig) Sandeep Mehrotra, on behalf of his wife, Lt Col (Mrs) Shraddha Mehrotra and children Ms Vidushi and Mr Vidur Mehrotra, who wish to sponsor the award as per the rules of APSI. May I request you to kindly put it up for consideration by the Executive of APSI.

The matter was discussed in Executive committee rules say The amount of corpus to be paid to APSI is Rs. 2.5 Lacs for duration of 5 Years. The Award will automatically be stopped after stipulated date. If the award instituting authorities want to continue the award they should send fresh proposal to EC a year in advance of stipulated date. The EC will then deliberate and present it to GB for approval. There will be agreement signed between APSI and award instituting authorities to this effect as decided by the EC. In case the award is discontinued after 10 years award instituting authorities cannot claim back the corpus donation. APSI will have full authority to utilize the corpus. The interest generated from this corpus will be paid in full to the awardees for that year. and was decided to discuss the amount to be deposited to start fellowship with chairman of award restructuring committee then it was discussed in midterm of EC in 2020 and minuted as Late Dr Sandip Mehrotra professorship, it was decided to contact Dr V Bhattacharya chairman of award restructuring committee , secretary informed that Dr V Bhattacharya has said if ec and gb wants amount can be doubled The amount for professorship will be Rs. 1,50,000 and for national Travelling fellowship will be Rs. 1,00,000 , 85 % of interest can be given as per rules so we have to inform Dr Alok Sharma what amount to be paid for fellowship they are ready to pay Dr Rajiv Ahuja said Amount should be 10 lacs ,it was decided that amount was too less , the matter will again referred to award restructuring committee, then presented again in EC and GBM.

Pease advice regarding amount to be deposited for starting fellowship Professorship in Plastic Surgery' in the name of Late Dr (Brig) Sandeep Mehrotra so that we can advice family members to deposit the amount, to respect the sentiments of family and our colleagues in armed forces .

Matter was refered to award restructuring committee.

Award restructuring deliberated and decided there is confusion there has to be change

Starting new visiting professorships and National Travelling fellowships

- New visiting professorships can be started in Microsurgery, Hand surgery, Plastic surgery, cosmetic surgery, cleft and craniofacial surgery etc. Similarly Visiting National Travelling fellowships can be started in similar sub specialities. They can be named after an individual. The amount for professorship will be Rs. 1,50,000 and for national Travelling fellowship will be Rs. 1,00,000. The total amount of Rs. 2,50,000 needs to be paid for one professorship and one national travelling fellowship by the person who intends to start these fellowships. So we can have 5 such sponsors each paying Rs. 2,50,000. The entire interest amount will be handed over to awardees. APSI will not earn anything out of this .
- Sponsors name will be acknowledged as (supported by ---). The president APSI will have the authority to choose names of professors for each subspecialty and EC and GB will finalise the same every year.
 - Starting new visiting professorships and National Travelling fellowships

Resolved that

- **New visiting professorships can be started in Microsurgery, Hand surgery, Plastic surgery, cosmetic surgery, cleft and craniofacial surgery etc. Similarly Visiting National Travelling fellowships can be started in similar sub specialities. They can be named after an individual. The amount for professorship will be Rs. 1,50,000 per year for 5 years and for national Travelling fellowship will be Rs. 1,00,000 per year for 5 years . The total amount of Rs. 2,50,000 per year for 5 years needs to be paid for one professorship and one national travelling fellowship by the person who intends to start these fellowships. So we can have 5 such sponsors each paying Rs. 2,50,000 per**

year for 5 years . The entire interest amount will be handed over to awardees. APSI will not earn anything out of this .

- **Sponsors name will be acknowledged as (supported by ---). The president APSI will have the authority to choose names of professors for each subspecialty and EC and GB will finalise the same every year.**
- **This was accepted and passed unanimously in EXCO meeting on October 17, 2021**

Resolution was passed by voting 93% in favour and 10 % against
Exco also decided as clarification came later

Resolved that 'Visiting Professorship in Plastic Surgery' in the name of Late Dr (Brig) Sandeep Mehrotra with the Rs 250000/- so that each year awardee can get Rs 50000/-

Accepted unanimously In GBM

Resolution was passed by voting 99% in favor to 1 % against

Secretary informed Award restructuring Committee members as was approved by the GB 2017 were as follows

- Dr. V. Bhattacharya- Head of the committee
- Dr. Parag Sahasrabudhe- Member secretary of the committee
- Dr Subramania Iyer – Member
- Dr. Rakesh Khazhanchii – Member
- Dr. Shailesh Ranade- Member

Secretary proposed secretary, treasurer, president should be the member

Resolved that Committee Members **as follows**

- **Dr. V. Bhattacharya- Head of the committee**
- **Secretary- member secretary of the committee,**
- **President APSI, Dr Subramania Iyer – Member**
- **Dr. Rakesh Khazhanchi – Member**
- **Treasurer- Member,**
- **Dr. Parag Sahasrabudhe- Member,**
- **Dr. Shailesh Ranade- Member**

Resolution Passed by voting 97 % in favor to 3 % against

Secretary said MOU should be signed between MOU award starting or restructuring person and APSI signed by secretary on behalf of APSI

Resolved that MOU be signed between the award starting or restructuring person and APSI signed by secretary on behalf of APSI

Resolution Passed by voting 97 % in favor to 3 % against

Subject:

To: Rajeev Ahuja <rbahuja@gmail.com>, Rakesh Khazanchi <rkkhazanchi@hotmail.com>

Dear Sir,

As per my discussions with Dr Khazanchi, regarding the termination of Myovatec Fellowship and my requested proposal to sponsor and support the APSI accredited courses annually, I request you to consider the proposal as our continuous support to the educational activities of APSI.

We would offer a sum of Rs 2 lacs annually at the beginning of financial year to support the APSI courses.

Further since the current available funds under the Myovatec fellowship corpus would remain unutilised, I request you to transfer the funds to the APSI accredited course, corpus and the same, be utilised from the next financial year.

We would further request for incorporation of few slides for related product technologies, relevant to the topics of the courses, with the sessions

Your considerate approval is sought, for the proposition

Warm regards

Adesh Mathur

Director

Myovatec

Re: APSI .in website renewal invoice

Sandeep Pandit <sandeep.pandit@gmail.com>

Fri 10/1/2021 1:26 PM

To: Vijay Kumar <kuhuidush@hotmail.com>; Treasurer APSI <treasurerofapsi@gmail.com>

Dear Vijay Sir & Treasurer - APSI,

Greetings!

Hope all is well.

**# PFA regular invoice for AMC & Renewal of web services.
PI confirm and pay by next week. Kindly confirm once done.**

Thanks,

**Sandeep Pandit | +91 98220 87478
ORANGE CENTRE | Oracen.com**

As discussed, Dr Vijay Sir - extra Porposal/Quotation:

1. Last Year 2020 and this Year 2021 can we raise extra support AMC invoice Rs. 36K x 2 = Rs. 72K + GST. PI give us approval to generate EXTRA Invoice now?
2. From Next year onwards can we make AMC Rs. 1L + GST for 1 year? PI confirm and approve for the same.

Looking for your guidance/approval on this matter.
PI convey.

On Fri, Sep 24, 2021 at 2:43 PM Sandeep Pandit <sandeep.pandit@gmail.com> wrote:

Dear Sir,

Hope all is well.

As per yearly AMC & renewal of APSI .in website is due and on 1st Oct. 2021 we will generate a regular invoice of Rs.50K + 18% GST for the same.

From last 5 yrs we have been maintaining a website at the same cost. Like to request for an upgrade in cost/estimate, for that I will write seperate email for which I am looking forward to approval from the board.

Thank you.

Information technology (IT) design and development services : SAC 998314

Hosting and information technology (IT) infrastructure provisioning services : SAC 998315

secretary requested Dr Khazanchi to deliberate on this Dr Khazanchi said-

we have had proposals to upgrade the website and doctor Nikhil Panse was proposed and appointed by the executive council to see what whether we can get another quotation, he's got the quotation, we also have another quotation by the existing vendor so now as a next step we have to compare the 2 and no decision has yet been made as to whether we going to change the vendor or not, currently we are sticking with the same vendor and this matter has still to be resolved and hopefully we will have a comparison of our requirements and what they are giving one of them being a payment gateway that should be there and once we compare there what they have to offer and what we choose between the 2, I think the next executive committee will take a call on that but this matter, as of now there is no change and we are continuing with the same vendor

Secretary said we need to pass a resolution

Resolved that website charges be paid with AMC Rs 1 Lakh plus GST it is further resolved To get gateway for online payment

Resolution was passed by voting 95 % says yes,5% say no

Secretary informed

GBM 2017 Resolved that Dr. Parag Sahasrabudhe will be the Webmaster for period of five year for the new website. The core committee will be decided by Dr. Parag Sahasrabudhe. But Dr Parag says I am not secretary

So resolution needs to be passed that webmaster should be the secretary not by name but by post

Resolved that Secretary will be the Webmaster for the website. The core committee will be decided by secretary and EC and include members from EC and general body

Resolution was passed by voting 97 % says yes, 3% say no

IN THE HIGH COURT OF UTTARAKHAND AT NAINITAL

ON THE 16TH DAY OF SEPTEMBER, 2021 BEFORE:
 HON'BLE SHRI JUSTICE MANOJ KUMAR TIWARI CONTEMPT PETITION NO. 83 OF 2021

BETWEEN:

Association of Plastic Surgeons of India ...Petitioner
 (By Mr. Rohit Dhyani, Advocate)

AND:

Professor Dr. Ravi Kant ... Opposite Party (By Mr. Rakesh Thapliyal, Senior Advocate assisted by Mr. Lalit Sharma, Advocate)

JUDGMENT

1. WPSS No. 2090 of 2019 filed by the petitioner was disposed of with a liberty to petitioner to make representation to Director, AIIMS, Rishikesh and Director, AIIMS was required to decide the same by passing a speaking order within four weeks.
2. Mr. Rakesh Thapliyal, learned Senior Counsel for the opposite party submits that Director, AIIMS, Rishikesh has rejected petitioner's representation vide order dated 21. 11.2020.
3. Learned counsel for the petitioner submits that the said order is not a speaking order, inasmuch as, the issues raised by the petitioner in his representation have not been considered at all.

4. Be that as it may, since the Director, AIIMS, Rishikesh has considered and rejected petitioner's representation by assigning some

2

reasons, therefore, this Court is of the considered opinion that this is not a case of willful disobedience for which opposite party can be proceeded against under provisions of Contempt of Courts Act.

5. Accordingly, the contempt petition is closed. Notice issued to the opposite party is hereby discharged. However, petitioner shall be at liberty to challenge the rejection order dated 21.11.2020 passed by Director, AIIMS, Rishikesh before the appropriate forum.

Aswal

(MANOJ KUMAR TIWARI, J.)

Secretary informed This was deliberated in EXCO and was decided to file review writ petition

Secretary requested Dr Khazanchi to brief Dr Khazanchi said Aiims Rishikesh started Mch programme in craniofacial surgery under the chairmanship of dental department, this case was filed in High Court in Rishikesh ,we had lawyers who came from Bombay and there was a local lawyer also hired, Dr satish was coordinating the the progress of this case, unfortunately this case was dismissed in the first appearance because the court said that they will not interfere with what director Aiims is doing, but they asked the director Aiims to pass a speaking order, to explain why what he had done, the director gave us the speaking order, we were not satisfied with that, and the previous lawyers had already withdrawn so with the help of some family lawyers , we went back to the court and court asked the Aiims director s to give a proper reply to our answers, so after some time reply came and the case was disposed, only positive thing we got out of the final disposal after his reply was, we were free to proceed and appeal against this course so that is where the situation stands now and we need direction,

so this was deliberated in the exco and what decided to file review petition. I am coming to that so now the situation is that t in 2019 one one candidate had joined for this course but subsequent to that there was no one else who took that course or actually they didn't even advertising so 2021 and the second development which we know is that the person under whose chairmanship this course was being started was not a full time faculty he was coming from another city he was coming spending maybe 2 or 3 days a week initially, that faculty member also has not entirely stop coming but nowadays, last we heard that he comes once in 3 months to be honest, we have no no idea about what his position is, and how often he is coming, these are just through some discreet enquiries. Our stay in this course rests on the fact that the dental council act says that the dental surgeons practice is limited to the jaws and the surrounding area and of course surrounding area cannot include cranium , the executive felt that it is only because of this case at least as of now the course stands suspended, we must go back and appeal against this order and maybe as one of our senior people pointed to keep our foot in the door to prevent them from closing it completely and maybe that will also with the faculty member who ran the course not being there full time, maybe they will not start this course so it will involve some expenses which maybe may be one to two lakh for filing the case, then anywhere maybe 20 to 30,000/- per appearance, but this includes only the fees for the for the lawyer who's going to file and if there is any senior advice is required that will be given through so that is the situation and the second thing that I would like to apprise you here is they have the dental council there is a pending bill which is called the dental council act is pending as a dental council bill, where they are trying to include cranium as part of their curriculum in this part of their field because, that is a modification of the dental council act that they are trying to propose so this was put in public domain for objections in the APSI has objected to that in very strong words and we also still don't know what the situation regarding this is and then the exco nominated Dr Manish Singhal to follow up, as to what may happen to this and whether we get that information know we don't know what at least there is no harm in trying as to what is what is happening , so that I will come back to whether we should go ahead and file the case against this Aiims Rishikesh course , exco deliberated on this, it was resolved that the review petition be filed and expenses be paid as we have proposed at this time so executive council passed it unanimously.

Resolution needs to be passed

Resolved that review petition be filed expenses be paid
Resolutions was passed by voting 96% yes and 4% no.

Secretary informed executive committee has nominated Dr Manish singhal to talk to the ministry and NMC regarding the NDC bill and executive committee have also nominated Dr Mohit Sharma to prepare the craniomaxillofacial fellowship program for the APSI, executive committee was of the opinion that we should start this craniomaxillofacial fellowship program, then we can go far to the national board to start this fellowship program.

Email from Dr Viswanath regarding SAF form for MCh Plastic surgery at NMC

Secretary informed he has received Email from Dr Viswanath regarding SAF form for MCh Plastic surgery at NMC

Secretary read the mail

14/10/21, 8:06 AM

Revised SAF required sir

Guruswamy Vishwanath <drgvishwanath@gmail.com>

Sun 6/20/2021 8:38 PM

To: Vijay Kumar <kuhuvividush@hotmail.com>

Dear Dr Vijay Kumar

I trust this mail finds you well and safe.

Sir, you may remember me, you were external examiner for the MCh Plastic Surgery exam at AFMC, when I was heading the department.

Sir, you will agree with me that the present Standard Assessment Format being used by the MCI/NMC for assessment of Plastic Surgery Depts (I am not aware of any recent revision) shows a complete lack of understanding of the nature, range and role of Plastic Surgery in the person who has made it.

An attempt has been made in the past to set this right, but I think serious effort is required before real damage is done to training institutes of Plastic Surgery in the country.

I believe the APSI must come out in full strength and be heard on this matter. The future of training in Plastic Surgery in this country is at stake; it is our duty to set the ship on the right course, we cannot abdicate, vacillate or procrastinate on this matter. (Sir, you have yourself trained scores of young Plastic Surgeons, need I say anything more on this matter to you)

I copy below the correspondence between Dr Nikhil Panse and Dr Surajit Bhattacharya, our president at that time.

Sir, I wait to hear from you.

Yours sincerely

Dr G Vishwanath

Surgeon Rear Admiral, IN (Retd)

9869283275

To,

Dr.Surajit Bhattacharya,

President

Association of Plastic Surgeons of India.

Dear Surajit Sir,

I work at B.J.Govt Medical College & Sassoon Hospital,Pune. We have started the MCh Plastic Surgery curriculum at our institute in the year 2014. The inspection for recognition of the said course was conducted recently. We had the opportunity to fill up the new standard assessment form (SAF) at the time of inspection.

The current SAF requires the data to be filled for the cases performed at the particular institute where the inspection is supposed to be held. The SAF has given a list of procedures, and the number of cases must be entered as per the list. The addition of new columns/titles is strictly prohibited.

The SAF form is attached along with for your perusal.

14/10/21, 8:04 AM

Revised SAF

SAF_Revised.doc;

Dear Dr Vijay Kumar

Thank you for your prompt response and your very positive suggestion of submitting a proposed SAF for consideration by our EC and discussion with the NMC.

I attach one, this I feel is appropriate as a teacher of Plastic Surgery in India, and this has inputs from senior and junior members of our professional community. I am confident that you will be broadly in agreement with the content.

Sir, it is for us to put this matter in order. The existing SAF if allowed to continue will produce very skewed assessment, consequently skewed training and will in time fail to produce the competencies required of a plastic surgeon in our Indian scenario.

I'm sure with concerted efforts by the APSI, we will succeed in setting this right.

With best regards and profound thanks

Dr (Surg RAdm) G Vishwanath

Secretary informed he has written to NMC-

Dear sir

The current SAF requires the data to be filled for the cases performed at the particular institute where the inspection is supposed to be held. The SAF has given a list of procedures, and the number of cases must be entered as per the list. The addition of new columns/titles is strictly prohibited.

The most common spectrum of work done by Plastic surgery departments across India like Post Burn reconstruction, Post malignancy reconstruction, Hand trauma, Faciomaxillary trauma, Clefts, Other congenital anomalies of hand and genitourinary system, Free flaps, Hemangiomas, Lymphangiomas, Burns debridement, Leprosy reconstructive surgery and many others simply can't be included in the form, as there are no headings to include these cases. The entities mentioned are endoscopic plastic surgery, face lifts, hair restorations and so on. And the numbers for these entities have to be mentioned for average 3 days random

Sir I am suggesting changes in SAF form which I feel should be incorporated, as cosmetic surgery procedures are done less and procedures mentioned are done and are required for the training of MCh Plastic and reconstructive surgery

I am giving some suggestions, this will contain all including cosmetic surgery.

In standard assessment form

In point no. 6 and point 8 following suggestions

Point no 6: Clinical workload of the Institution and Department concerned:

Parameter	DEPARTMENT OF PLASTIC SURGERY	
	On the Day of Assessment	Average of 3 Days Random
OPD attendance		
New admissions		
Total Beds occupied		
Total Required Beds		
Bed Occupancy at		
Total Surgeries		
Total major Surgeries		
Total minor Surgeries		
Acute Burns		
a) Post Burn reconstruction		
b) Post Oncology reconstruction		
Flaps for Upper extremity		
Flaps for lower extremity		
Head Neck Face		

reconstruction(Including scalp,ear, nose and eyelid reconstruction)		
Skin grafting		
Hand Trauma(tendon,Nerve & Vascular injuries)		
Faciomaxillary trauma & Facial fractures		
Cleft(Lip,Palate & Rhinoplasty)		
Trunk reconstruction (Including breast reconstruction & Bed sores)		
Congenital anomalies(Including Hypospadias, Syndactly, polydactyl, lymphatic & vascular malformations)		
Nerve repair and Reconstruction (Including nerve grafts, tendon transfers, brachial plexus and facial nerve palsy)		
Free tissue transfer & Microsurgery		
Cosmetic Surgery(Including Hair restoration,liposuction, fat grafting,abdominoplasty, rhinoplasty, breast implants)		

Point no 8: Year-wise available clinical materials (during previous 3 years) for department of Plastic Surgery

S.No.	Parameters	Year 1	Year 2	Year 3 (Last Year)
1.	Total number of patients in OPD			
2.	Total number of patients admitted (IPD)			
3.	Total number of follow up patients in OPD			
4.	Total Surgeries

The issue was deliberated in EXCO and was decided to represent NMC and nominated Dr Vijay Kumar, Dr Manish Singhal to take the issue with NMC, Dr Arun Choudhary, Manoj Khanna also volunteered to contributed , Khazanchi said they can choose other members to include in team The general body unanimously approved this.

Creation of Video library of APSI Secretary informed

Dr Nikhil Panse raised the creation of Video library of APSI it was deliberated in EXCO Dr Nikhil was asked to present in detail regarding this involving funds also

Consent Form, Legal Cell

Secraetary informed in GBM 2017 Legal Cell APSI:

The secretary informed that the legal Cell of APSI formed during midterm EC consists of the following members:

- Dr. Mukunda Reddy – Chairman
- Dr. Atul Shah
- Dr. Satish Bhat
- Dr. Medha Bhave
- Dr. Rakesh Khazanchi

The legal cell has been asked to provide information on consent formats procedure which can be included in the website for information.

The General Body unanimously approved the Legal cell.

GBM 2018

The secretary informed that Standardized consent formats for various procedures are being prepared by Dr. Sundeep Vijayraghavan and Dr. Raj Mishra and they will be uploaded on the website as they are ready.

Resolved that Dr. Sundeep Vijayraghavan, Dr. Raj Mishra and Dr. Satish Bhat will prepare standardised consent forms for different procedures in Plastic Surgery and will present it in next EC and GB for approval. The approved forms will be made available by secretary on the website.

GBM 2019

Dr Sandeep Vijayraghwan informed in order to help members prevent medico legal issues, the association has decided to create procedure specific consent forms. The consent committee has prepared a list of nodal persons who will identify the procedures that require separate consent in the field of expertise as well as member of his group who can prepare consent in a given format. The format has been already circulated. The nodal persons with the help of expert members who are routinely performing the procedures are preparing consent forms in detail. Some consents are already finalised. We hope to release these peer reviewed consent at earliest for use by every member. All those who have been approached are kindly requested to cooperate so that the project can be completed at the earliest.

Resolved that a legal wing be formed with Dr Rakesh Khazanchi,, Dr Atul Shah , Dr Medha Bhawe, Dr Satish Bhatt as members

- Proposed by Dr Mukund Jagannathan
- Seconded by Dr Ravi Mahajan

Secretary informed he has received mail from Dr Medha Bhawe

Dear Dr Vijaykumar,
Hon.Secretary, APSI

Sir,

I heard your secretary's report at the inaugural function, which went wonderfully well.

I would like to bring to your notice two extremely important points which I hope you will convey properly during the GBM to keep the records correct.

1. The APSI procedure specific consent project was conceptualized by me, Dr, Medha Bhawe. It was approved by the EC, and I was appointed as coordinator.

2. Dr. Bhawe outlined the procedure to create the consents, created prototype consent, had it approved from consent committee comprising of Dr Atul Shah and Dr Satish Bhat as legal experts.

3. Dr Bhawe roped in primary experts connected with them with details and then handed over the reconstructive part to Dr Selva Seetharaman who conducted it further successfully.

Dr Selva and Dr Sundeep Vijayraghavan have made invaluable contribution to the project.

4. Dr Bhawe also created all general consents and all procedures specific consents for aesthetic procedures with a group of young IAAPS members and edited with Dr Milind Wagh under supervision of Dr Rakesh Kalra, then IAAPS president.

5. These were handed over to APSI for sharing on the website on behalf of IAAPS, from the national secretary e mail. The same consents are uploaded on the IAAPS website.

6. Dr Bhawe, Dr Rajat Gupta and Dr Aniket worked on group insurance policy. A table was created after studying finer points and negotiating with various companies. I as IAAPS Hon. secretary handed over this data to APSI as it is a bigger association with better negotiation power. I may add some people in IAAPS had reservations about this.

I however persisted because I felt that these two initiatives would form excellent examples of collaboration between APSI and its sub speciality associations.

It would be an injustice to ignore this and not acknowledge my contribution and that of my colleagues from IAAPS, in fact it will give the Nay Sayers a point to avoid future collaboration with APSI.

In my opinion this is very important

A. Because members should understand that a non-EC a member can take up useful initiative so that more will come forward with their problems, ideas and solutions.

B. The APSI, as the bigger umbrella body, should appreciate the fraternity and goodwill generated by sister associations.

c. This is the only way to keep the tribes from falling apart.

I have tried earnestly, going against my junior colleagues to collaborate. My colleagues must continue to trust me for the good gesture and sincere efforts. If that does not happen the unity gets compromised.

I hope that in the:

1. GBM minutes, 2. Secretary's report and 3. In the APSI newsletter my contribution and that of IAAPS in the Consent forms and Insurance matters are placed on record

Selva

main Agenda of this Sub Committee :

- 1) Preparation of Consent forms
- 2) Indemnity Insurance for members
- 3) Medico Legal Education.

The Consent work for the Aesthetic procedure was coordinated by Dr. Medha Bhawe / IAAPS Members. The consent work for the Reconstructive procedures was coordinated by Dr. Selva SeethaRaman and supported by Dr. Medha Bhawe and Dr. Sandeep Vijaya Raghavan.

The Indemnity insurance for APSI / IAAPS members was proposed by the legal wing of APSI. The President Dr. Khazhanji and Dr. Selva SeethaRaman spear headed and coordinated the Process which was largely supported by the members of the IAAPS - Dr. Medha Bhawe & Dr. Rajat Gupta. The policy was rolled out for the members of IAAPS/ APSI in October 2021

The secretary informed general body about contribution of Dr Medha, Dr rajat,Dr Aniket and that of IAAPS in the Consent forms and Insurance matters will be placed on record in GBM minutes, 2. Secretary's report and 3. In the APSI newsletter .

Dr Khazanchi said Dr Medha and team needs to be acknowledged, not only for the indemnity insurance and also in the legal committee for various consent form, all the consent forms for surgery were developed under leadership of Dr Medha , Medha said I will be very brief sir, actually when i develop this form, I had requested that each sub speciality

association should be under umbrella of apsi and that sub speciality association should develop consent forms and submit to APSI, so everybody will be under uniform consents and accordingly from IAAPS I have delivered our part so other associations should come forward and submit their consent forms for the benefit of the members thank you sir .

Indemnity

Secretary informed Dr Selva presented in exco about

I. Indemnity Insurance:

Negotiated with few companies considering various parameters like coverage of Cosmetic surgery, Coverage of Clinic and Staff, out of court settlement Continuation of the cover when taken with other policy, Run off cover, Special Assistance etc and also the premium. To The Members

The Association of Plastic Surgeons of India

Doctors Professional Indemnity has become a necessity for the medical profession and more so for our speciality. Hence the Association of Plastic surgeons of India has formed a committee to get an exclusive indemnity policy for its members . The committee has done due negotiations with many companies to get the maximum inclusion with the least premium.

The Association of Plastic Surgeons of India has done tie-up with **CoverYou** & we authorize them to provide carefully drafted Doctors Professional Indemnity with specially designed benefits & 80% savings on premium through ICICI Lombard General Insurance Co. Ltd. CoverYou is currently working with 15+ medical associations in India for providing customized insurance solutions.

We welcome all APSI members to utilize this opportunity and register themselves under the umbrella of APSI Professional Indemnity Scheme. Members with existing indemnity policy can also register under this APSI Indemnity Scheme, their existing retroactive date will be transferred to new policy by providing a copy of existing running policy. This policy is exclusive to APSI members and does not bind member in anyway

- 1. Source of Notices:**
- 2. Defence Cost:**
- 3. Cashless Compensation:**

HIGHLIGHTS OF THE POLICY

All source of notices received by member regarding medical negligence is covered under the policy including lawyer notice, district court, state commission, national commission, medical council notices, police FIR, minority commission etc.

We have created medico legal lawyer panel to fight medico legal cases on the behalf of members & legal cost to be borne by the insurance co. to defend the case in the court. Members can choose their own preference of lawyer also, his/her fees will be paid as per their professional fee chart.

Compensation will be paid by the Insurance Co. directly if doctor loses the case in the court. Multiple claim amount shall be paid up to the sum assured within the policy period. Even if there is a single claim, the maximum compensation up to sum assured will be paid.

4. Out of court settlement: Provision of out of court settlement if case becomes indefensible limiting up to sum assured.

5. APSI Legal Cell: We have created a Senior doctor panel from APSI for 2nd Level opinion. The same which will be given to member after lawyer consultation.

6. Breach of confidentiality: Cases arising due to breach of confidential information of patient to be included under policy.

7. Loss of documents: Cases arising out of any loss of critical documents to be covered under the policy.

8. Medical Establishment: Medical Establishment policy will cover all individual policy benefit along with coverage of all qualified & unqualified staff, ward boy, nurses, technicians, owners, director & partners.

9. This policy would also cover payment of defence cost for criminal cases arising out of medical mishaps once doctor is acquitted/ exonerated from the case.

10. Dishonesty From Profession: Policy covers allegation from patient for dishonesty from profession.

11. Run off Cover: Run off cover is available as add on to APSI members in which the member is covered for 3 years after member stops practice from any medical negligence allegation from retroactive date by paying premium for 1 year premium.

Hon. Secretary
Association of Plastic Surgeons of India

Secretary informed whoever want to take this policy can take help of Dr Selva , Dr Khazanchi sir or me

12. E Election APSI

Secretary informed it was decided in 2019 GB that there will be debate between Sameek and Sandip vijay Raghavan during conference for E election, this debate was not able to we are not able to held, so in the next Amritsar conference this debate will be there and if the Gb votes for the election t for the making this regular feature then that constitution amendment will be put in the next years GB and after passing the resolution , E election will be started .

13.Plans for APSI Accredited Course for 2021 and 2022

Secretary informed

APSI accredited course will be done virtual, 4 courses have been conducted. 5th will be conducted in November 2021. on faciomaxillary surgery, 6th Course will be conducted with local flaps in January 2022

14.Topic for Dr. R. N. Sharma Symposium to be held during Amritsar APSICON 2022

Secretary informed Exco Suggested 3 topics for Dr. R. N. Sharma Symposium to be held during Amritsar APSICON 2022

- Lymphedema Dr Nilesh Convenor
- 3D Cad cam in plastic surgery Dr Sanjay Mahendru convenor
- Eyelid Occuloplasty
- Congenital hand
- Sex reassignment surgery

After voting Lymphedema 32% oculoplastic 22% CAD Cam 12% gender reassignment 15% and congenital hand 19%,**Lymphedema Dr Nilesh Convenor was selected as topic.**

15.Resolution regarding Surplus from Bhubaneswar conference and related resolution

Secretary informed Dr Amres proposed and his wish it to be given for visiting professorship corpus without attaching any APSICON year to it

Exco accepted and praised the gesture of Dr Amres

Resolved that Savings from APSICON 2019 be given for visiting professorship corpus without attaching any APSICON year to it

Resolution was passed after voting with 98% for, 2% against

Dr Rajiv Ahuja said against at 11:00 lakhs of rupees probably we will get about less little less than ₹60,000 as interest so why dont you put it in the minutes that the interest amount generated from this will be equally distributed between the professorships or you can fix an amount maybe ₹20,000 for professorship so that can be decided so the next executive trustee or the treasurer is no problems. Resolution was passed.

**Resolved that interest generated from the corpus created by Apsicon 2019 will be equally distributed amongst the 3 professorships Plastic Surgery, Microsurgery, Cosmetic Surgery
Resolution was passed by voting by 98% yes to 2% no.**

Resolved that election officers will be Dr Amres Baliarsing, Dr Ravi Mahajan, nodal officer will be Dr Sandip Vijay Raghavan

Accepted unanimously

15. Remarks by the incoming President, and outline of activities and 56th APSICON 2022 .

Secretary requested incoming President for remarks and outline of activities and 56th APSICON 2022 .

Dr Ravi said good evening everyone first of all I think I must congratulate our president doctor Rakesh Khazanchi and his organising team for successfully organising this first ever virtual conference and hopefully the last one. Congratulations to the whole medanta team for this wonderful conference, I must say that the Academic content of the conference was probably even much better than what we would have been a physical conference and next I would like to convey my thanks and gratitude once again to all the APSI members for having faith in me and electing me the president of our august association, I am actually looking forward to host all of you to the holy city of Amritsar from November 9th to 13th in 2022, other details will be available to all of you soon because of the uncertainty as a result of corona, the organising committee is committed to make it a memorable conference which will be a physical conference after a gap of almost 3 years after 2019 and I would request all of you to come in large numbers with your families to enjoy the academics as well as the hospitality of the Amritsar. I think hosting the annual conference is just one of the very important responsibilities of the president but the other very important responsibility is working towards fulfilling the aspirations of the members and , I had given during the 2 statements which given once in Kochi and once in Bhubaneswar and I had you know promise that we will have an Academic council, to propagate the academics and another promotion council for the promotion of the speciality as well as its matters to advocacy, our website updation, social media and other thing and I had also promised a hand holding program for which I promised in personal donation of ₹2,00,000, we can have this as a pilot program so in addition to that we will you know try to form a research group of APSI, so that some multicentric research studies can also be carried out under the platform of APSI and Dr khazanchi during his presidentship and our EC members had conceptualised a few things which I would like to take forward with help from him as well as the other members of the association, one of that was the virtual office you know which had been thought of and I think we will take it forward and we will need a lot of help from other members of the APSI.

I am very happy to see that all our younger dynamic members have lot of energy and enthusiasm to do lot of work for the speciality and in fact we need to harness that and I would make an effort towards that and I would like to have you know all of you give us some suggestions what can be done and I would like to have some more volunteers also will be ready to work for the specialty so one more thing you know which has been very close to my heart, how to make the best use of the national plastic surgery day, now with the efforts of Dr Khazanchi has become world plastic surgery day, how we can use it for the promotion of our specialty and the one thing its in my mind is that we must plan a grand program in Delhi ,we can really display what kind of work the our specialty is doing and how we can make a difference in the lives of the people and for that I would like to invite you to give some very good videos, we can use and show that how the work done by us, can make lot of difference to the lives of the people so I am looking forward to kind cooperation from all of you so that I can achieve all these objectives which I have thought of for the benefit of the association as well as that member and I would like to thank you all again and I look forward to see you all for APSICON 2022 at Amritsar from 9th to 13th november and come with your family and we will try to make your stay as comfortable as we can and Jai hind.

Permission for Bank Accounts for APSICON 2022

“Resolved that the Dr. Ravi Mahajan and his team members are hereby authorized to open and operate Bank Account in the name and style “APSICON2022” under the name of the trust: It is further resolved that the PAN and Address of APSI shall be used for opening such new account.”

“It is further resolved that the Bank account such opened shall be closed after conclusion of such event within a reasonable period of time as decided by the Governing Council from time to time.”

“It is further resolved that the Financial Statements of such event shall be prepared each year end as at 31st march each year and a Audited copy of such financial statements, duly signed by all the office bearers of such event and statutory auditors appointed for that purpose shall be submitted before 31st May each year to the Treasurer APSI.”

Above resolutions were unanimously accepted by General body.

17. Any other matter with permission of the chair.

President asked the secretary to read the letter by Dr Surajit, Secretary said it is message given by Dr Surajit Bhattacharya on WhatsApp to me, I will open and read points for the gbm

Point 1 with permission of chair Dr KS Goleria resident forum was initiated by us in 2018 it was a great success, in 2019 version 2 was interesting let us find time slot for this forum as this will encourage more residents to become members of our forum make this a regular forum every year. A resolution was put Resolved that Dr KS Goleria resident forum will be held at each APSICON

Resolution was passed by voting 100% say yes

Point 2. When a president or chairman of scientific committee invites just lectures which are not named oration then instead of levelling it as a guest lecture why not honour senior colleague by naming lecture after him like this year doctor Suresh Guptas' name could be added for a lecture for instance, the president should be given liberty to this, next year we go to Amritsar and I would like to listen to professor Thind memorial lecture.

President said this is very good suggestion that those lecture can be named after senior plastic surgeon of that area or any senior plastic surgeon but this will be a subject of argument I think this can be debated by those who are paying lakhs of ₹ to have their name added and , we will refer it to the awards committee and then they can deliberate on it, there is still time for the next conference we will put it to the awards committee and whatever decision they come up with abide by.

Point 3 free paper sessions can be decorated with the prefix senior colleagues name and let us honor them while they are still with us and show them our respect, it cost nothing but means a lot for our legacy let us show a bigger heart and in a way celebrate the life and time life and time of these emeralds of our association, secretary said we are having already named free paper sessions pass in gbm 2018 they are already there

Point 4 regarding the new appointment to the board of trustee can be done by quickly seek legal opinion, if we appoint a new trustee who already is fighting an individual case against him? Is there a conflict of interest ? will this point come back to bite us? While the present trustee are continued continuing with their term will it better to have a trustee who have nothing to do legally with the past president?

President said I think the existing trustees, all of them or I think most of them have been accused in this case so I don't see whether adding another trustee will change anything and also the so called who person who is being referred to as past president is not even a member, of this we cannot consider it and I think anyway matter can be taken up in the next trust meeting, because anyway new trustees now inducted for till 2023, I think so we have plenty of time to resolve this issue so I will request I will request the incoming executive trustee to see,

Secretary said also there is no guarantee that a person not involved in the case will become a trustee, will not be named in the case.

Dr Rajiv Ahuja said Dr Khazanchi one more thing even in parliament having a criminal case or any civil case against one is not making you ineligible for election, it is only when you are convicted of a case that you may be come ineligible and to make anybody ineligible on just basis of a criminal complaint, we can keep filing complaints against each other and then we'll all be coming eligible to become trustees, next

thing is that any incoming trustee may be having several personal criminal cases against the person how the how the APSI will come to know about them till the person is convicted of the case, so I think this is totally frivolous and should be dismissed at the moment, I dont think even a legal opinion is required on this ,I think this did not be discussed any further

Secretary said next is thanks to chair, before thanking the chair, it is my request I'm available 24 hours anytime you can call me or you can put a message on WhatsApp text or mail or call, some members who have updated their data in the mail, I have sent mail in the mailbox is full, I request you all to clear your mailbox so that mail and regarding the election can be or any other better can be received by you, please clear your mailbox and please keep checking your spam also because sometimes these messages go in the spam and you may miss any message from the APSI , so please check your spam mail also and I request all the members also again in the case of change of address please write to me about your new address your new mobile number your new email ID and request you to also write to the APSI of your achievements, because APSI members's achievement is the achievement of the APSI, I request you to send your achievements to us so that your achievements can be included in the minutes and they can be uploaded now in the end I would like to thank Professor V Bhattacharya Sir who is the chairman of trustee and the member of trust executive trustee Dr Rajeev Ahuja Sir and member of trust Mukund Thatte, Mukund Reddy Sir and Ramesh Sharma Sir , Dr Khazanchi ,president elect Dr Ravi mahajan and ask immediate past president doctor Amres, the EXCO members, members of APSI for their continuous help and guidance and I would like to thank now on the behalf of APSI chairman Dr Rakesh Khazanchi for conducting a such a beautiful and wonderful virtual conference thank you Sir

18. Thanks to chair

The meeting ended with vote of thanks from the President Dr. Rakesh Khazanchi. He thanked all the members of the association and said hello friends it's time to say goodbye I'm being a little emotional and thank you for proposing your faith on me in me and I have worked to the best of my ability,it will be difficult for me to thank all of you individually so please excuse me for that but I see a lot of my friends I can see you in the audience and time to pass the baton to doctor Ravi mahajan and once again if I am sure I took upon many tasks I did accomplish few are in the process of a completion some of them have been left undone but I'm sure our next incoming president Ravi Mahajan will able to complete the task that I have left incomplete
